Feel no Guilt in laughter, He knows how much you care.
Feel no sorrow in a smile, That he's not here to share.
You cannot grieve forever, He would not want you to.
He'd hope that you would carry on, The way you always do.
So talk about the good times, And the ways you showed you cared.
The days you spent together, All the happiness you shared.
Let memories surround you, A word someone might say
Will suddenly recapture, A time, an hour, or a day.
That brings him back as clearly, As though he was still here
And fills you with the feelings, That say he's always near.
For if you keep those moments, You will never be apart
And he will live forever, Safely locked within your heart.

I look up to the stars, see one shining so brightly, it reminds me you're up there watching over and protecting me.
