

# EMBERSTONE INNOVATIONS

## IGNITE SUCCESS

Forged in Service. Delivered with Precision.

### Company Overview

Emberstone Innovations is a Service-Disabled Veteran-Owned Small Business (SDVOSB) and Women-Owned Small Business based in Jacksonville, NC—adjacent to major DoD installations like Camp Lejeune. Founded and led by service-connected disabled veterans with 70+ years combined military experience and 15+ years in contracting expertise, we deliver reliable, mission-critical support including training, administrative, logistics, and aviation maintenance services to empower warfighters and government operations. Committed to precision, integrity, and rapid response.

### Differentiators

- Service-Disabled Veteran-Owned Small Business (SDVOSB) – Eligible for set-asides and sole-source opportunities.
- Women-Owned Small Business (WOSB) certification.
- Led by veterans with direct military insight and operational excellence.
- Strategic location in Jacksonville, NC for proximity to DoD bases and rapid deployment.
- Agility, flexibility, and unwavering commitment to integrity and warfighter success.
