An ambitious, energetic and self-motivated individual, who is well specialized in physical training coaching and management. Holds a BS degree in physical rehabilitation and has acquired an intensive experience by working for highly reputable and international organizations: Spa and health clubs' management, personal training and aerobics classes.

Experienced PE teacher with extensive knowledge of health, fitness, and well-being. Passionate about inspiring and empowering students to develop a balanced and healthy lifestyle that enhance their physical, emotional, and social growth. I am a dedicated educator who foster inclusive participation and effectively adapt to the unique needs of each learner.

Able to work independently and/or with a diversified team. Customer-service oriented with professional social skills, capable of dealing with clients from different backgrounds and can easily adapt to new cultures. Willing to relocate to work overseas.
