

**FROM CONCEPT TO CASTING
PERFECTLY DELIVERED**

ABOUT US:

We are a global sourcing firm specializing in a wide range of high-quality **metal castings** for industrial applications. Leveraging a network of reliable foundries across the world, we deliver cost-effective, precision-engineered components on time, every time.

We are providing custom solutions & also have extended network facility of casting as well as best in class machining facility. We can deliver upto 12000 MT/anum with single piece finish part right from 200 grams to 400 kgs.

INDUSTRIES WE SERVE :

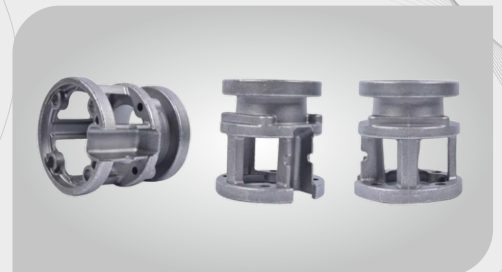

AUTOMOTIVE CASTINGS

- Engine Blocks
- Brake Drums/discs
- Gear Housings
- Suspension Components

AGRICULTURAL MACHINERY PARTS

- Tractor Components
- Gearboxes
- Housings
- Pump Parts

CONSTRUCTION EQUIPMENT

- Track Links
- Hydraulic Cylinder Components
- Excavator Parts

OIL & GAS COMPONENTS

- Valve Bodies
- Pump Housings
- Pipe Fittings
- Manifolds

OUR CAPABILITIES INCLUDE

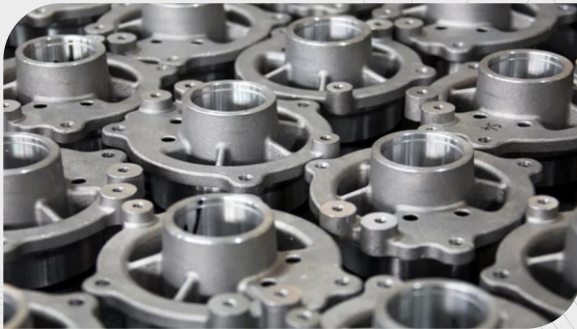

- Sand Casting
- Investment Casting (Lost Wax)
- Die Casting (Aluminum, Zinc)

MATERIALS WE DEAL IN

- Ductile Iron, Grey Iron
- Carbon & Alloy Steel
- Stainless Steel
- Aluminum, Bronze, Brass, Zinc

OUR VALUE-ADDED SERVICES

MACHINING

HEAT TREATMENT

QUALITY INSPECTION

EXPORT PACKAGING

WHY CHOOSE US

Global Reach, Local Support

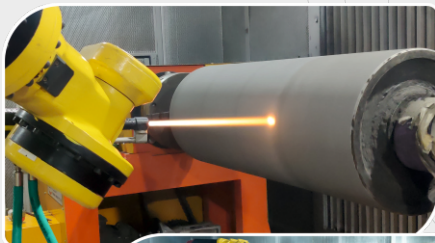

End-to-End Sourcing & Logistics

Quality Assured to ISO/ASTM Standards

Competitive Pricing

Advanced Surface Protection from Our Group company **Metatech Thermal Spray Pvt. Ltd.**

Metatech Thermal Spray Pvt. Ltd. is a leading provider of advanced **Thermal Spray Coating Solutions** for industrial components across power, oil & gas, steel, and manufacturing sectors since 2009. We proudly serve top-tier clients such as **BHEL, Tata, JSW, JSPL, Vedanta, IOCL, HMEL**, and many others with high-performance coatings that enhance **wear resistance, corrosion protection and surface restoration**.
