1. Introduction

Welcome to your step-by-step guide to earning passive income through **1BitUp.com**, one of the easiest ways to profit from crypto mining without owning any hardware. This ebook shows you how to get started with just a small investment, automate your earnings, and withdraw profits—all in a few clicks.

2. What is 1BitUp.com?

1BitUp is a cloud-based cryptocurrency mining platform. Instead of buying and maintaining your own mining rigs, you purchase a share in a mining pool run by 1BitUp. They handle all the technical aspects—equipment, electricity, cooling—while you collect daily payouts.

Platform Highlights:

- ✓ No technical skills required
- 💰 Daily earnings paid in crypto
- 🌐 Accessible worldwide
- 🔒 Secure platform with real-time stats

Affiliate Sign-Up Link: <https://1bitup.com/sign-up?referral=VE9QJT157X>

3. How 1BitUp Cloud Mining Works

- You buy a **mining contract**, which is a share of 1BitUp's hash power.
- The platform mines Bitcoin or other cryptocurrencies daily.
- Your share of the mined crypto is added to your 1BitUp wallet every 24 hours.
- You can **reinvest** or **withdraw** profits anytime.

4. Benefits of Using 1BitUp

-  **Hands-Free**: No setup, no maintenance
-  **24/7 Mining**: Earn while you sleep
-  **Fast Payouts**: Daily rewards
-  **Affiliate Program**: Earn by referring others
-  **Flexible Plans**: Start small, scale up

5. Step-by-Step: How to Sign Up

1. Visit the official referral link:
 <https://1bitup.com/sign-up?referral=VE9QJT157X>
2. Click **“Sign Up”** at the top right.
3. Enter your **name**, **email address**, and a secure **password**.
4. Click **Create Account**.
5. Check your email for a confirmation link and click it to verify your account.

✓ You're now ready to fund your account and start mining!

6. How to Deposit Funds (Crypto, Credit Card, Debit Card)

After signing up, you need to fund your account to purchase a mining contract. 1BitUp offers two secure options:

Option 1: Deposit with Cryptocurrency

1. Log into your 1BitUp account.
2. Click on **“Deposit”** from your dashboard.
3. Choose the coin you want to use (e.g., BTC, USDT).
4. Copy the generated wallet address.
5. From your crypto wallet (like Coinbase, Binance), send the desired amount.
6. Wait 10–30 minutes for blockchain confirmation.
7. Your 1BitUp balance will be updated.

 Always double-check the wallet address before sending funds.

Option 2: Pay with Credit Card / Debit Card

1. In the **Deposit** section, choose “**Buy with Credit/Debit Card**”.
2. Enter the amount you want to deposit.
3. Complete payment with Visa, Mastercard, or American Express.
4. Once the payment is confirmed, your balance will reflect the amount.

△ ID verification (KYC) may be required for card payments depending on your region.

7. How to Purchase a Mining Contract

Once your funds are available:

1. Go to “**Mining Contracts**” from your dashboard.
2. Browse the available plans: Starter, Pro, Premium, etc.
3. Choose the contract that suits your budget.
4. Click “**Buy Now**” and confirm the purchase using your account balance.

🕒 Contracts usually activate within 24 hours. You’ll start earning daily rewards automatically.

8. How to Withdraw Profits

1. Click on “**Wallet**” in your dashboard.
2. Select “**Withdraw**”.
3. Enter the amount you want to withdraw.
4. Paste your external crypto wallet address (e.g., your Bitcoin wallet from Coinbase).
5. Click **Submit** to complete the process.

✓ Withdrawals are processed within 24 hours, depending on network speed.

9. Best Practices for Maximizing Earnings

-  Reinvest your daily profits into new contracts to grow faster
-  Diversify across multiple contract types
-  Share your referral link and build a passive affiliate stream
-  Enable 2FA (Two-Factor Authentication) to secure your account
-  Monitor your mining dashboard and reinvest regularly

10. Final Thoughts

Cloud mining with 1BitUp is one of the most beginner-friendly ways to start earning crypto passively. With low startup requirements, daily rewards, and an easy-to-use dashboard, it’s a great tool to build long-term crypto cashflow.

Start small. Reinvest smart. Withdraw regularly.

11. Disclaimer

This ebook is for informational and educational purposes only. Cryptocurrency investing involves risk, and past performance is not a guarantee of future results. Always do your own research and only invest what you can afford to lose.
