

August 2026 - Church Events & Announcements....

Welcome to August at LFCC Kalamunda! 🌿

Walls can serve many purposes. Some provide protection, while others conceal weakness. Some are built from fear, disappointment, pride, false reassurance, or years of unresolved pain. Others stand between people, keeping them separated even when they long for peace and connection.

Throughout Scripture, walls often represent things that appear strong and permanent. Yet God sees beneath the surface. He knows whether a foundation is secure, whether a refuge is genuine, and whether something in our lives is helping us stand or preventing us from moving forward.

This August, **The Walls Are Coming Down** will explore what happens when God exposes false foundations, calls His people to walk by faith, confronts what appears immovable, and brings separated people together through Jesus Christ.
