

CATALOGUE 2024

The background of the top half of the page is a composite image. On the left, a dark blue vertical band contains the 'HydroSan' logo in a light blue, 3D-style font. The letters are slightly transparent, showing a blue water splash or ripple pattern behind them. To the right of this band, the background is a full-width image of a water splash, showing a crown-like shape of water droplets rising from a surface, with ripples spreading outwards. The overall color scheme is various shades of blue.

HydroSan
