

Daniel 9:24-27 Year For a Day [457BC-33AD] 490 Years Complete

Scriptures are the Authorized KJV via e-Sword in “**bolded italics**” unless otherwise noted.

[Scripture words in brackets were added by the Bible translators].

Any Highlighting of **Scripture** is added emphasis.

Daniel 9:24-27 “**Seventy weeks are determined upon thy people and upon thy holy city, to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most Holy.** ²⁵ **Know therefore and understand, [that] from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince [shall be] seven weeks, and threescore and two weeks: the street shall be built again, and the wall, even in troublous times.** ²⁶ **And after threescore and two weeks shall Messiah be cut off, but not for himself: and the people of the prince that shall come shall destroy the city and the sanctuary; and the end thereof [shall be] with a flood, and unto the end of the war desolations are determined.** ²⁷ **And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make [it] desolate, even until the consummation, and that determined shall be poured upon the desolate.”**

This prophecy is complete. The city of Jerusalem was destroyed in 70AD.

Here is the math. There were 7 “weeks of years,” [7x7= **49** years], 62 “weeks of years,” [62x7= **434** years], and one week [**7** more years]; **49+434+7= 490** total **consecutive** years. In **457BC** the decree to rebuild was issued. Add 490 to 457BC and one arrives at 33AD—the prophecy completion year. *There was no year zero, and 457BC was the counting Year 1 (not 458). Look closely at the 483 years: 457BC plus 483 brings us to 26AD—the year Yahusha was baptized in the fall (probably around, or on the Day of Atonement). Yahusha was cut off (crucified) 3.5 years later on Nisan 14 in **30AD**. He remained in the tomb exactly 3 days and 3 nights just like Jonah said. All of this completely concurs with Scripture. Praise Yahuah via Yahusha!
