### NAICS Codes:

541611, 541120, 541211, 541214, 541430

### Credentials

- Certified Nonprofit Professional (CNP)
- Business Strategy Certification, UVA
- AI for Business Strategy Specialist, Penn State University
- Certified Public Accountant License
- MBA, Business Administration
- Notary Public, Signing Agent
- Six Sigma Green Belt
- Project Management Professional (PMP)
- Lean Certification

### Differentiators

We stand out by combining executive consultations with the setup and implementation of AI automations for streamlined operations. Unlike most firms that only offer automation setup without strategic guidance or consulting without technology integration, we deliver both. This ensures our clients achieve not just efficiency but also alignment with their broader business goals led by seasoned executive leadership strategists.

## Company Overview

Honorable Management Group is a woman-owned firm dedicated to taking the weight of operations off your shoulders. Established in 2022, we provide executive management, strategy, and implementation for small to large programs, projects, and agencies.

## Core Competencies

### Project Administration

Certified PM partner offering project management for projects, state/local programs, and subcontracting needs.

### Vendor Procurement

We leverage our deep vendor directory to strategically source, select, and negotiate with vendors to acquire goods and services from qualified vendors for solicitations, bids, and RFP's for contract officers.

### Strategic Planning

Evaluate historic mission and objectives, facilitate strategy sessions to set objectives and goals for annual or long term strategic plans, budgets and public reports.

### Compliance Management

Comprehensive compliance audits, oversight to monitor key data, track performance and streamline reporting and information.

### Expense Management & Accounting

CPA service, accounting controls, and bookkeeping services to produce accurate financials for funding, compliance, and growth.

### Human Resources and Leadership Training

HR compliance and employee support services including policy creation, payroll setup, onboarding, and executive leadership training.

## Past Performance

- Managed business operations and grant administration for Medici Road's \$7.7 million federal Department of Labor grant project.
- Directed automation and HR setup for Straightway Express Courier Service, scaling from 5 to 45 drivers.
- Led strategic planning and implementation for the City of Atlanta Neighborhood Partnership Project.
