PRESS RELEASE

Promotion of I-Hi Think-Tank and the Position Paper “Artificial Intelligence – A Double-Edged Sword”

Skopje, May 1, 2025

The newly established Think-Tank “Intelligent Human Future” (I-Hi) will hold its official promotion, along with the presentation of its first position paper titled “Artificial Intelligence – A Double-Edged Sword.”

The event will take place on **May 5, 2025, at 12:00 PM, at the Civic Resource Center, Blvd. Saint Kliment Ohridski 21, 1000 Skopje.**

The event will focus on the opportunities and ethical aspects of Artificial Intelligence (AI), examining how this technology can act as a driver of progress, while at the same time serving humanity in a way that ensures fairness and sustainable development.

Speakers will include:

- Valentin Neshovski – Expert in Public Relations, Media, and Communications
- Toni Popovski – Political Scientist

The debate will be opened by **Vladimir Vladimirov, Manager, Industry Expert, Entrepreneur, and President of the AI Association of Bulgaria.**

In addition, the event will feature AI experts, policymakers, civil society representatives, and IT sector stakeholders who will discuss the potential of AI as a factor for societal progress, economic stability, and community empowerment—if guided by ethical principles and responsibility.

The I-Hi Think-Tank is dedicated to promoting the humane use of Artificial Intelligence, preventing social inequalities linked to rapid technological advancement, and creating legal frameworks that enable the fair implementation of AI in society.

- Location: Civic Resource Center, Blvd. Saint Kliment Ohridski 21, 1000 Skopje
- Date and Time: May 5, 2025, 12:00 PM
