Sahasra Karya was founded with a vision to transform walls and spaces into beautiful and aesthetic artistic canvases. We are committed to creating mural art that is not only aesthetically pleasing but also prioritizes customer satisfaction. Our mission is to bring art to every corner of Indonesia, giving a unique artistic touch to every space, be it residential, public, or commercial.

Starting our journey in 2015, Sahasra Karya has been committed to prioritizing aesthetics and customer satisfaction in every work produced. With years of experience and a team with quality resources, we have created beautiful and memorable murals across various platforms. The widespread trust of our customers is proof of our dedication to providing the best results that meet and exceed expectations. For Sahasra Karya, every space is a canvas, and every mural is a piece of art that brings beauty and inspiration into everyday life.

AWARD FROM THE ROYAL PALACE OF SURAKARTA

Awarded and appreciated by the Keraton Surakarta give honorary title upon the Sahasra Karya Team for their extraordinary contributions in the fields of art and culture. This prestigious award was personally presented by KPHA Daryonagoro through letter *Kakancingan* 701/N1/01/25, signed by KGPH PA Tedjowulan.

This serves as strong evidence that Sahasra Karya is also an active participant in preserving arts and culture, particularly in the Java. The presence of Sahasra Karya in various cultural activities demonstrates a strong commitment to preserving existing cultural heritage. This is a concrete step in supporting the sustainability of traditional arts and culture, which are increasingly being eroded by modernization.

This award also provides inspiration and motivation for the Sahasra Karya Team to continue creating and innovating in preserving Indonesian culture. With support from Keraton Surakarta, Sahasra Karya are expected to become a role model for other companies in efforts to preserve and promote the richness of Indonesia's arts and culture. This step also strengthens the relationship between the business sector and cultural institutions, creating a harmonious synergy in safeguarding and developing the nation's cultural heritage.
