Abi Kaya Creates™ partners with retailers, corporate buyers, and community organisations to deliver unique, low-MOQ, high-ROI gifts — beautifully presented and handcrafted in Sydney. From customisable mini perfumes to uplifting handmade prints and bespoke product sourcing, we create memorable gifting experiences that enhance your brand.

*Hello, I'm Mayumi Bautista*

After years in public service and now also serving as a registered migration agent, I began Abi Kaya Creates™ to share my love of thoughtful, meaningful gifting.

The name reflects my belief in creating with purpose and joy — Abi meaning “my father’s joy” and Kaya meaning “I can do it” in Filipino. Every product is crafted with care, faith, and a hope that it blesses others.

*In joyful service,  
Mayumi 🌻*
