Volume 56 Issue 1

The following are letters from three seminary students from Concordia Seminary that Ascension is supporting: Ben Wagner, Will Vogt, and Cooper Reed

Greetings!

I hope this letter finds you well as we move deeper into the semester. I wanted to share some updates about how things are going here at school.

### Academic Life

I'm grateful to report that my studies continue to go very well. I'm maintaining straight A's in all of my classes, and I'm thankful for God's grace in helping me stay focused and engaged with the material. The workload is challenging but rewarding, and I'm learning so much that will serve me well in ministry.

I recently finished two of my biggest papers of the semester—one was 8,000 words, and the other was 6,000 words. They took a lot of time and effort, but I'm relieved to have them completed and turned in. It's satisfying to see major projects like that come together after weeks of research and writing.

### Community and Ministry

One of the greatest joys of seminary life has been the friendships I've been building. I've been having a ton of fun with my friends here, and we've been doing a lot of events on campus together. We've organized extended evening prayer services and preaching opportunities, which have been wonderful times of worship and growth. There's something special about learning alongside people who share your calling and passion for ministry.

### Personal Updates

Things continue to go very well with my girlfriend. Our relationship remains a real blessing, and I'm grateful for her support and encouragement during this busy season.

Thank you for your continued prayers and support. It means so much to have faithful people like you walking alongside me during this formative time. Your investment in my education and ministry preparation is truly making a difference.

Blessings,

*Ben Wagner*

Hello, I pray this postcard reaches y'all in times of blessing and in God's peace! I'm writing to express my gratitude for your support as I walk through my first semester of the MDiv program. As I reflect on these past few months, I cannot help but feel overwhelmed but feelings of humility abound too. I pray that your lives will continue in the blessings and love of God, especially as we approach the holidays.

I'm truly grateful, Roger Deas

Seminarian Update

# The Vogt Post

ISSUE NO. 2 | NOVEMBER 2025

Will, Sarah, and Baby Olive at Concordia Maplewood

## Life at the Sem.

Again, we would like to say thank you for all of the support that we have received this first semester! We truly could not be doing this on our own. It is seen God's hand in every blessing that we have received this year.

Will's first semester is coming to a close on December 12<sup>th</sup>. He will have a holiday break and then jump right back into a three week Hebrew intensive in January before starting classes for the spring.

Will has really enjoyed the daily rhythm of both classes and time in chapel and the formation that comes from doing that alongside his fellow seminarians. His most challenging class has been systematics and the one he is enjoying the most is his exegetical class.

# Updates and support

## Baby Olive

Baby Girl is here! Olive was born at Mercy Hospital in St. Louis on November 6th at 6:01 PM. She was 5 lbs 11 oz when she was born and was 18 inches long. We are beyond thrilled that she is here!

## Seminary Women's Association

It has been amazing for Sarah to get to know all of the women these past couple of months. The Seminary Womens Association facilitates events on campus to bring women together every month. This includes a Tuesday night bible study, Wine and Cheese Night, Movie Night, And a Women's Retreat. It has been a true blessing during this time!

## Resident Field Work

Will has been assigned to Concordia Maplewood Lutheran Church. He will serve and attend here for the next two years as well as when we return from vicarage. Will has already begun serving in the service on a weekly basis. Concordia has welcomed us well and we are excited to be here for the next couple of years.

Dear Brothers and Sisters  
at Ascension Lutheran Church,

Hello, my name is Will Vogt. I am a first-year seminarian from Spokane, Washington.

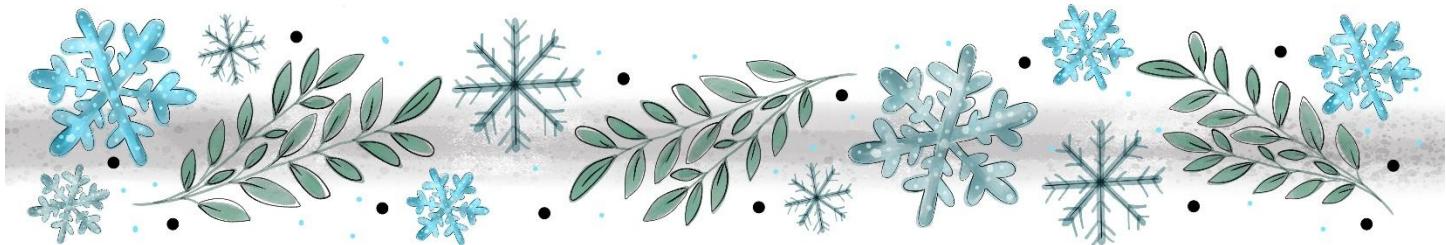

My wife Sarah and I are deeply thankful for your support! We just welcomed our first child (a daughter) this November and the support we have received from all the wonderful donors has helped us to feel prepared to welcome her while balancing school and other life responsibilities.

A little bit about us... I grew up in Spokane and my wife was raised in Grand Rapids, Michigan. We met while at Camp Lutherhaven in Coeur d' Alene, Idaho where we both worked full-time for several years. I graduated from Gonzaga University with a business degree in 2022 and my wife has had a variety of jobs but is staying home while we are at seminary to focus on raising our daughter.

Along with this letter, we've included a copy of our newsletter which my wife has titled, "The Vogt Post". These newsletters will be our way of keeping you updated about our family and our experiences here at the seminary. We are so grateful to be able to spend these next four years growing in the grace and knowledge of the Lord in this place and we thank God that he is working through people all over the country to help make this possible.

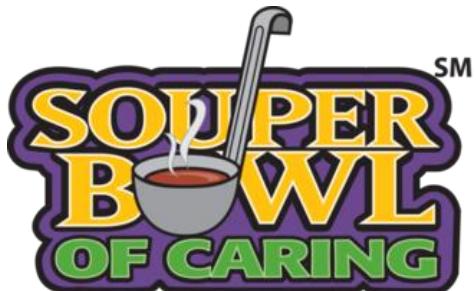

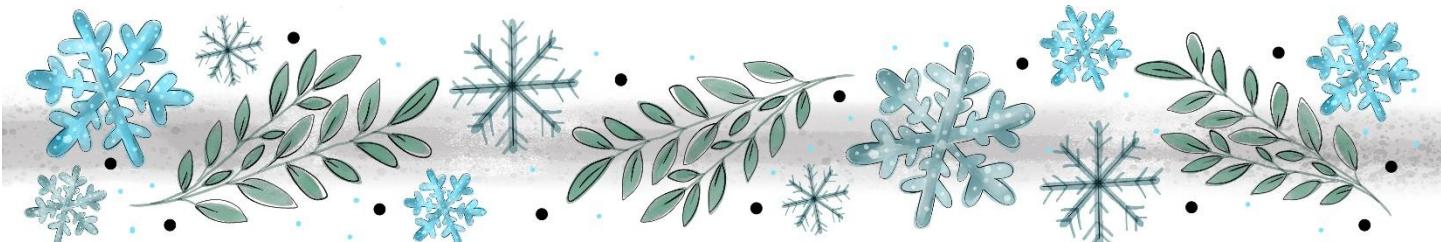

Blessings,

Will Vogt
