Note for Rate Chart - Aakaar Constrologixtix

1. Advance Payment Policy:

- 60% of the total amount for design and drawing must be paid in advance.
- The remaining 40% is to be paid prior to submission or just before delivery of the final drawings.

2. 3D Drawing Charges:

- The cost of 3D drawings will vary based on the complexity and the level of artistic detailing required.

3. Site Visit & Monitoring Charges:

- Charges for site visits and monitoring depend on the distance from our office.
- Payment for each visit must be made on the same day to avoid suspension of future visits or services.

4. Modification Policy:

- Two modifications are included in the original cost.
- Any additional modifications will incur an extra charge of 25% of the original amount.

5. Referral Discount:

- Earn a 15% discount on your total bill for each successful client referral.
