Important Questions	Answers	Why This Matters:
<p>What is the overall <a href="#">deductible</a>?</p>	<p>In-Network: \$500/individual or \$1,000/family                      Out-of-Network: \$500/individual or \$1,250 family  <i>Certain <a href="#">out-of-network claims</a> are treated as <a href="#">in-network claims</a> as required by No Surprises Act.</i></p>	<p>Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a>, each family member must meet their own individual <a href="#">deductible</a> unless the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p>
<p>Are there services covered before you meet your <a href="#">deductible</a>?</p>	<p>Yes. <a href="#">In-network Preventive Care</a>, primary care visits, specialist visits, and Dental Preventive Care are covered before you meet your <a href="#">deductible</a>.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this plan covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p>Are there other <a href="#">deductibles</a> for specific services?</p>	<p>Yes. Out-of-Network Dental Benefits - \$50/person and \$100/family each calendar year. There are no other specific <a href="#">deductibles</a>.</p>	<p>You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.</p>
<p>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</p>	<p><a href="#">In-Network</a>                      Medical: \$3,500/individual or \$7,000/family                      Prescription: \$5,700/individual or \$11,400/family   <a href="#">Out-of-Network</a>                      Medical: \$5,000/individual or \$10,000/family                      Prescription: No limit  <i>Certain <a href="#">out-of-network claims</a> are treated as <a href="#">in-network claims</a> as required by No Surprises Act.</i></p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
<p>What is not included in the <a href="#">out-of-pocket limit</a>?</p>	<p><a href="#">Out-of-network</a> charges in excess of <a href="#">plan</a> allowances, <a href="#">premiums</a>, <a href="#">balance billing</a> charges and health care this <a href="#">plan</a> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <a href="#">network provider</a> ?	Yes*. See <a href="http://www.ibxtpa.com">www.ibxtpa.com</a> or call (833) 242-3330 for a list of <a href="#">network providers</a> . * <a href="#">Out-of-Network providers</a> may be treated as <a href="#">In-Network providers</a> as required by No Surprises Act.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
