

COMPLETE CLOUD-BASED HR SOFTWARE FOR SMES

KEY BENEFITS

Drowning in paperwork and juggling a million tasks?

Meet **HR Pulse**, your virtual HR manager, designed to slash the chaos and supercharge your productivity.

Built by HR experts with **25+ years of experience**, HR Pulse is the **all-in-one solution** that empowers SMEs (and growing teams!) to **simplify compliance, automate busywork**, and focus on what really matters: **your people**.

No more stress. No more overwhelm. Just **smarter, smoother HR**.

Automate The Mundane

Ditch paperwork and manual tasks. Spend time on **growth**, not admin.

One HR System For Everything

Onboarding, policies, contracts, forms, and other **templates**, all in one place.

Self-Service For Teams

Employees self-update **details**, request **leave**, and **more** with no back-and-forth.

Employee Engagement Made Easy

Keep connected with **announcements, reminders**, and hassle-free **comms**.

Legislative Compliance, Done For You

Automatic updates keep up-to-date with the **latest employment laws** in the **UK**

Grows With You

Works for 10 employees or 100. **Cloud-based, scalable**, and always **accessible**.

Big HR Power On A Small Budget

Get **enterprise-level** HR without recruiting a dedicated team.

Manage Your People With Confidence

Handle **disciplinarys, grievances** and **absences** with interactive **how-tos**.
