- All riders and passengers participating in group rides should attend the daily safety briefing.
- KSU (Kick Stands Up) times are posted on the ride sign-up sheets.
- Shorter rides may leave later in the day to arrive at the location around lunch time.
- Ride your own ride. Do not exceed your comfort level or abilities to keep pace with a group.
- Ride routes, departure times, destinations, and stops may be changed, adjusted, delayed, or canceled due to weather, road conditions, traffic, construction, emergencies, or other factors at the discretion of the Road Captains.
- Riders are responsible for ensuring their motorcycle is fueled, maintained, and ready for each day's ride.

## **SPIRITED RIDE NOTICE**

A ride designated as "SPIRITED" is intended for experienced riders comfortable operating at an elevated pace on technical roads with frequent curves, elevation changes, and limited passing opportunities.

These rides require advanced riding skills, confidence, and the ability to safely maintain the established pace of the group.

Do not register for a Spirited Ride if you are uncertain of your ability to ride at this level.

Unlike standard rides, a Spirited Ride may not slow down, regroup as frequently, or alter pace to accommodate riders who cannot safely maintain the group's speed and rhythm.

Participants should understand there is potential to become separated from the group if they cannot maintain the established pace.

By joining a Spirited Ride, participants acknowledge these expectations and accept responsibility for their own riding decisions.
