Personalized Pet Nutrition Consultation & Diet Formulation

Which One to Choose? My Recommendation

Initial

Healthy dogs
and cats

Nutritional
guidance

To learn about
different diets

Basic

Healthy dogs
and cats

Initial diet
transition

Dogs and cats that
are likely to adapt well
to diet changes

Advanced

Dogs and cats needing
complementary
nutrition support

Dogs and cats that
have tried multiple
diets without success

Dogs and cats are less
receptive to dietary
changes
