Global Business Activation

Monthly Maintenance: Activate your account and access the powerful Prife International system for worldwide business operations with maintenance of \$30.

- Prife International System: Empowering all members to launch their businesses in multiple countries. Utilize our member system to effortlessly start your own business locally and globally.**
- Start Your Shop : No need to worry about expenses like shop rentals, electricity, or salaries. With Prife International, you can kickstart your business with ease.**
- Affordable Investment: Only \$30 for the opportunity to leverage an international system. Experience the benefits of a lucrative business model without breaking the bank.**

Highlight:

"No better business opportunity than Prife International. For just \$30, unlock the potential of a global business empire."

Bonus Redemption Wallet: Unlocking Global Product Access

- **Bonus Redemption Wallet:** Your maintenance amount is credited into the Bonus Redemption Wallet, enabling you to redeem products worldwide.
- **Explore New Marketing Opportunities:** The Bonus Redemption Wallet serves as a powerful tool to open up new marketing avenues and expand your business horizons.
- **Global Product Redemption:** Members can conveniently redeem products through Prife International Branches and Stockists. Only courier fees need to be paid, ensuring hassle-free access to products. (*Availability may vary by country.)
- **Experience the Beauty of the System:** Enjoy the seamless integration of the Bonus Redemption Wallet into our comprehensive system, showcasing the beauty of Prife International's offerings.

Bonus Redemption Wallet: Unlocking Global Product Access

Bonus Redemption Wallet :

1. Product Points: Accumulate product points to your Bonus Redemption Wallet, providing you with a diverse range of redemption options.

2. 20% Binary Bonus: A portion of the Binary Bonus (20%) is allocated to your Bonus Redemption Wallet, allowing you to convert it into valuable products.

3. Maintenance: The maintenance amount contributes to your Bonus Redemption Wallet, increasing your redemption potential.

Powerful Combination: The Bonus Redemption Wallet is 3-in-1, combining Product Points, Binary Bonus allocation, and Maintenance in a single platform.

Emphasize:

"Unlock the potential of your Bonus Redemption Wallet - your gateway to global product redemption, marketing expansion, and a rewarding system."

Eligibility for all Bonuses

Qualified Maintenance: Maintaining a monthly of \$30 makes you eligible to receive all bonuses for the following month and the current month's UniLevel Bonus (Maintenance Bonus).

Example:

- **May 2023:** If you qualify with a \$30 maintenance in May, you will be eligible to receive all binary bonuses for June and the UniLevel Bonus for May 2023.
- **Expiration:** If the maintenance is not made in May 2023, the account will expire in June 2023. In June, the account must fulfill a two-month maintenance requirement, covering both May and June, to regain eligibility for bonuses in June and July.
- **UniLevel Bonus Calculation:** The UniLevel Bonus is exclusively calculated for the month of June, with a total of 21PV.

Highlight:

"Maintain your eligibility for bonuses by paying a monthly \$30. Enjoy the UniLevel Bonus for the respective month and ensure continued success."

UniLevel Bonus Calculation and Payment

UniLevel Bonus Calculation: The UniLevel Bonus is calculated at the end of each month, specifically on the last day of the month (e.g., May 31st).

- **Bonus Crediting:** The UniLevel Bonus earned will be credited to your Bonus Wallet on the 1st of the following month (e.g., June 1st).
- **100% Bonus Wallet Payment:** The UniLevel Bonus is paid out entirely to the Bonus Wallet.

Example:

- All maintenance PV generated by your groups throughout the month of May will be calculated on May 31st.
- The UniLevel Bonus corresponding to the calculated PV will be credited to your Bonus Wallet on June 1st.
- The UniLevel Bonus is paid out in full to your Bonus Wallet.

Highlight:

"Experience the convenience of UniLevel Bonus calculation at the end of each month and prompt payment to your Bonus Wallet on the 1st of the following month."

Qualified Maintenance and Generations of UniLevel Bonus

Qualified Maintenance Status : By maintaining a personal monthly maintenance of \$30 (equivalent to 21 PV), you become eligible to enjoy the UniLevel bonus, ranging from 4 to 20 levels. This bonus is calculated in a compressed manner.

- Eligibility for 3% PV Bonus : Being qualified allows you to receive 3% of the total PV generated by your 4 generations of directly referred groups.

- Extendable generations : When each of your Direct Personal Sponsored Group (DPSG) maintains 210 PV (21 PV x 10), you gain eligibility for UniLevel bonuses that can be extended to two additional generations.

DPSG: Direct Personal Sponsored Group

Highlight:

"Maintain qualified status by \$30 monthly, unlock multi-generation UniLevel bonuses, and maximize your earnings potential."

Passive Income: Equal Opportunity for Extraordinary Success

- **Equal Opportunity:** Our MLM system ensures that ordinary people have an equal opportunity to earn substantial income by putting in dedicated effort in building their business.
- **Chart Example:** The chart demonstrates the potential for earning \$1,321,204.50 per month based on a 2 x 2 duplication system. However, the potential for earning is even greater when utilizing a 3 x 3, 5 x 5, or 8 x 8 duplication system.
- **Expanding Possibilities:** By implementing larger duplication systems, the earning potential expands exponentially. For instance, even capturing 10% of \$1,321,204.50 equates to \$132,120.45 per month.

Prife International: We provide an international platform where anyone and everyone can create remarkable opportunities and achieve incredible results.

Highlight:

"Unlock your potential for passive income. Prife International offers a level playing field where hard work and dedication can lead to extraordinary earnings."

Thank You
