About Us

Leaf International Trading & Industrial Solutions is a trusted Saudi-based supplier and importer of high-quality industrial products. We specialize in delivering cutting-edge solutions and components to key sectors including Oil & Gas, Manufacturing, Infrastructure, Power, Water & Utilities, and Transportation.

With a strong global sourcing network and technical expertise, our mission is to support industry growth in Saudi Arabia and the Gulf region through reliable products, exceptional service, and long-term partnerships. Our team is committed to precision, quality, and innovation across every project we undertake.

Product Portfolio

Instrumentation Products

Pipeline & Pressure Systems

Filtration & Fluid Handling

Measurement & Lifting Solutions

Control & Safety

- Pressure, Temperature & Level Transmitters
- Pressure & Temperature Gauges
- Flow Meters (Coriolis, Magnetic, Ultrasonic & Positive Displacement)
- Level & Pressure Switches
- Magnetic Level Gauges
- Gas & Flame Detectors
- Gas Analyzers
- Sight Glasses
- Rotameters (Glass & Metal Tube)
- Needle & Ball Valves (for Instrumentation Applications)

- Pig Launchers
- Quick Opening Closures
- Dry Gas Filtration
- Mechanical Valves (Ball, Butterfly, Globe, Gate, Check, Pressure Relief, Steam Traps, Strainers)

- Filter Housing & Filter Cartridges (all industries)
- Mechanical Pumps (Centrifugal, Submersible, Dosing, Diaphragm & Peristaltic)

- Industrial Scales
- Industrial Hoists

- Pneumatic Control Valves
- Safety Equipment
- Ceramic Linings
