

Company Profile

2025-2026

About the Company

Nakhla Gulf FM Services Co., established in 2019, is a leading provider of HR solutions, BPO, and facility management services in India and Saudi Arabia. Headquartered in Riyadh, with partner offices in India Nakhla Gulf supports local and international clients with certified professionals and advanced solutions. We focus on select industries to deliver efficient, scalable solutions while ensuring quality, safety, and service excellence.

Vision

At Nakhla Gulf FM Services Co., our vision is to be a trusted leader in delivering smart, sustainable, and integrated facility management solutions. We aim to create safe, efficient, and well-maintained environments that support our clients' success. By combining advanced technology, skilled professionals, and a commitment to quality and safety, we strive to exceed expectations in every project. Our focus is on building lasting partnerships, promoting operational excellence, and continuously improving our services to meet evolving industry needs. We are dedicated to setting new standards in facility management across the region and beyond.

Mission

We're committed to delivering the best user experience through a combination of a growing, efficient team, innovative technology solutions, and sustainable, eco-conscious products.

At Nakhla Gulf FM Services Co., our mission is to deliver smart and reliable facility management and engineering solutions that support sustainable growth and improve everyday life. We aim to be a trusted partner for our clients by providing proactive maintenance services that protect and enhance the performance of their buildings and infrastructure. We are committed to quality, safety, and innovation, and always work to find better, more efficient ways to serve our clients and meet the highest industry standards.

The Goals

- 1 Achieve maximum resource utilization and cost-effectiveness across all managed facilities through streamlined processes, predictive maintenance, and technology integration.
- 2 Ensure optimal functionality, reliability, and extended lifespan of client assets and infrastructure through proactive maintenance, timely repairs, and strategic lifecycle planning.
- 3 Provide a consistently safe, healthy, and productive environment for occupants by adhering to regulatory compliance, implementing robust safety protocols, and ensuring comfortable indoor conditions.
