Sugat Traders: Sustainable Indian Exports

Bridging Heritage & Sustainability Since 1967

Bringing India to the World

Sugat Traders Private Limited stands as a premier export company, connecting global markets with India's rich traditions. We specialize in delivering exceptional quality products that embody sustainability, tradition, and craftsmanship.

Eco-Friendly • Biodegradable • Heritage

Nature's Dinnerware

Crafted from natural leaves and stitched for durability, our tableware offers a completely disposable and compostable solution. Chemical-free and leak-resistant, these plates marry ancient Indian methods with modern ecological needs.

Eco-Friendly • Biodegradable • Heritage

A Size for Every Occasion

From intimate tastings to grand banquets, our collection spans from 3.5-inch bowls to 12-inch buffet plates. Each piece maintains the signature natural aesthetic while serving specific dining requirements.

Starters & Sides

3.5 Inch Bowls

Perfect for dips, chutneys, and tasting portions.

6 Inch Plates/Bowls

The ideal vessel for appetizers and light starters.

Versatile Intermediates

7.5 Inch Round

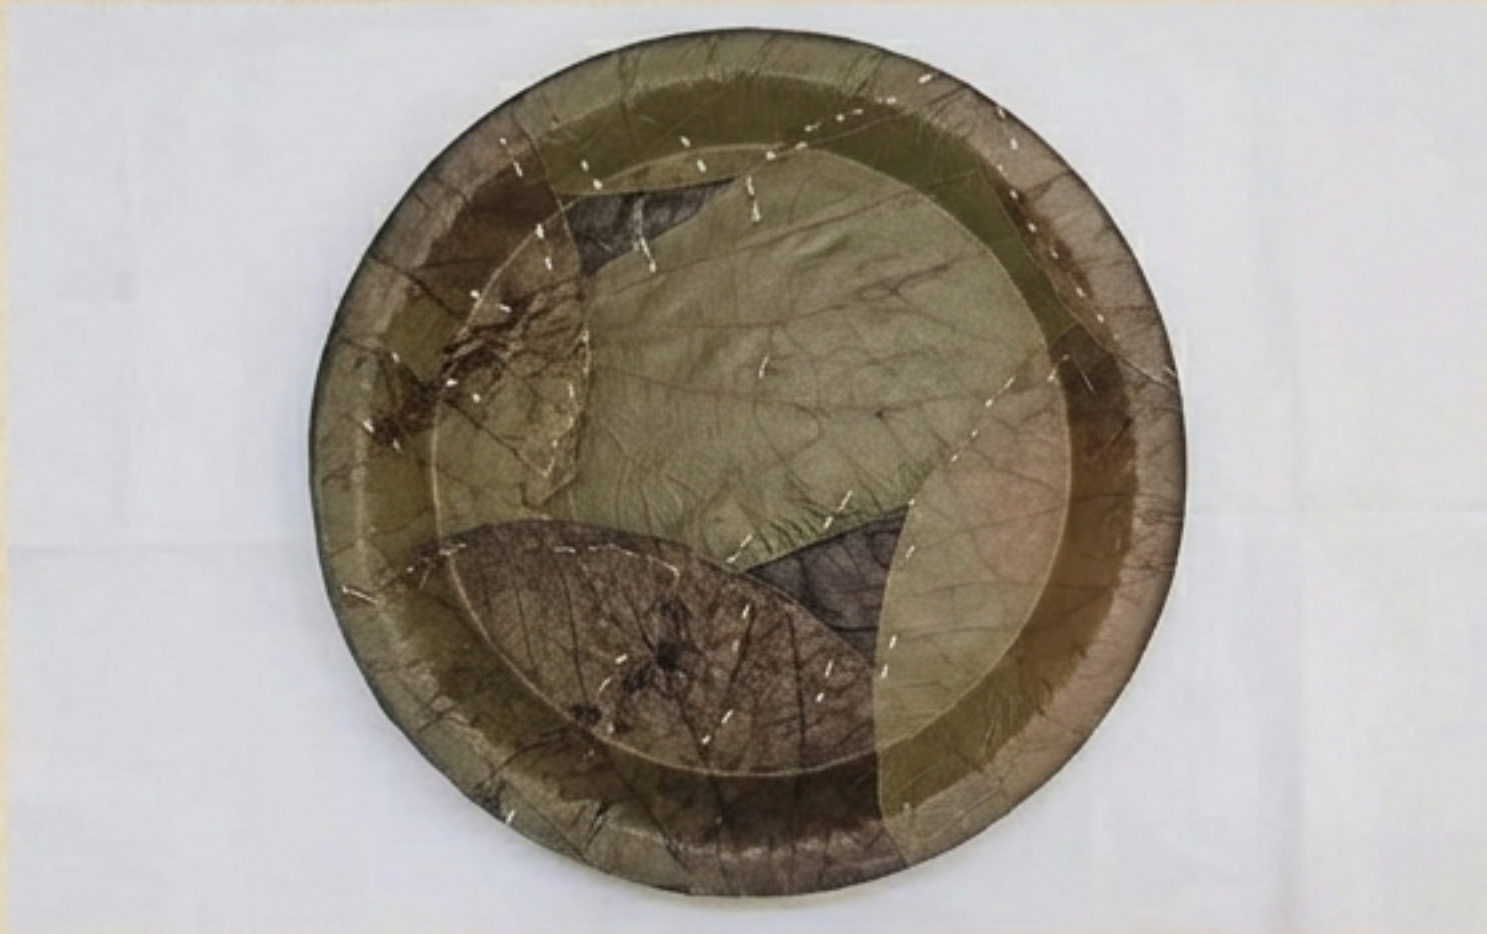

The standard size for substantial starters or breakfast service.

8.5 Inch Round

Enhanced surface area suitable for heavy snacks or multi-item dessert courses.

The Dining Standard

10 Inch Round:

The classic dinner plate size for standard service.

10.5 Inch Round:

Offers slightly deeper capacity for main courses, ensuring stability for heavier meals.

The Grand Feast

11.5 to 12 Inch Round. Designed for full meals, buffets, and heavy usage. These plates feature maximum surface area and reinforced stitching for sturdy handling of larger portions.

Organized Dining

8.5 Inch Compartment Plate

Features three distinct sections.

Ideal for separating wet curries from dry rice or breads, eliminating the need for additional bowls.

Uncompromising Performance

100% Biodegradable
& Compostable

Sturdy & Leak Resistant

Chemical Free

Microwave Safe

Curated Indian Exports

Beyond tableware, our portfolio captures the essence of India.
