PROFILE

I am an interdisciplinary fashion and textile designer, specialising in Haute Couture with a foundation in sustainable practices and artisanal craftsmanship. Based in Barhi, Jharkhand, my work combines heritage techniques with experimental construction methods to develop textiles and garments that challenge conventional form and function. My design process is driven by curiosity, precision, and a commitment to ethical luxury.

EDUCATION

2024 January – 2025 July
FORMATION HAUTE COUTURE

Les Ateliers Alix, Paris, France

2021 August – 2025 July
BACHELOR OF DESIGN

The Design Village, Noida, India

EXPERIENCE

Amiri
Paris, France | January 2025 and June 2025
Intern: Alterations and Couture

- Performed precise garment alterations for runway collections.
- Completed hand finishing and construction of VIP luxury couture pieces.
- Supported creative team operations and backstage prep.
- Handled delicate luxury fabrics with care and precision.
- Assisted in pattern making for haute couture pieces.

Mossi
Paris, France | June–August 2024; February & September 2024
Design Intern & Backstage Volunteer

- Contributed to garment design, draping, and pleating for seasonal collections.
- Supported in pattern tracing, garment assembly, and fabric experimentation.
- Explored fabric manipulation to align with Mossi's artistic vision.
- Dressed models, steamed garments, and executed quick changes backstage.
- Oversaw backstage flow and ensured garment readiness during Paris Fashion Week.
