PROFILE

Rooted in sustainability, craftsmanship, and luxury, I am an interdisciplinary designer with a background in Fashion & Textile Design and a specialisation in Haute Couture in Paris. I prioritise quality over quantity, merging traditional techniques with innovative approaches to reimagine textile and garment construction. With a problem-solving mindset, my work explores materiality, textile manipulation, and thoughtful design, ensuring each creation reflects both excellence and sustainable values.

EXPERIENCE

Amiri

January, 2025 | Paris, France

Intern- Alterations and Couturier

- Prepared and adjusted garments for runway presentations.
- Executed alterations and finishing touches on couture pieces.
- Collaborated with the creative team, providing support for various tasks.
