

Conversations shine for everyone with Lumity.

Short or long, in quiet or in noise, conversations shine for everyone with Lumity.

Conversations are at the heart of life

A lady hearing their partner's lady is
child being asked a question in pass, a
businessman hearing the important
questions during a meeting or an
elderly couple reminiscing about a
well-lived movie together. Our hearing
solutions open the door to a world in
which all people can create meaningful
relationships, and enjoy a greater state
of social-emotional, cognitive and
physical well-being.

From mild to profound, Phonak
Lumity offers a broad portfolio for
those with hearing loss and continues
our commitment of over 75 years –
providing reliable, high-quality, Swiss-
engineered hearing solutions.

With the introduction of Phonak
Basis™, Phonak Sky™ and Phonak OS6
on the Lumity platform, which features
our advanced Phonak SmartSpeed™
technology, your clients can experience
conversations with peace of mind,
knowing they have a device that
provides speech understanding.

Our most advanced platform – now for everyone

Audéo Lumity

Our ideal solution for clients who desire a discreet RIC housing. A waterproof and sweatproof option is available with Audéo Life Lumity.

Sky Lumity

Our pediatric option, now equipped with the latest Lumity technology, featuring a range of paediatric colour combinations.

Naida Lumity

Our most powerful hearing devices, with SmartSpeech Technology, giving clients priority to speech understanding.

CROS Lumity

Our solution for clients with a unaidable hearing loss in one ear, now on the Lumity platform, with CROS and BiCROS options, as well as extended colour options.

Slim Lumity

Our solution for those who desire a sleek and stylish profile, with all the performance of Lumity. Available now in lower performance levels too.

Fully rechargeable

RogerDirect™ inside

Universal Bluetooth® compatibility

Charger options

Our charging options provide your clients a reliable, convenient and secure way to charge and store their hearing aids, giving them peace of mind throughout the day.

Phonak Charger Ease

The charger solution for Audéo L-R/RT and CRDS L-R. Magnetic retention of devices and magnetic closure of lid for ease of use.

Phonak Slim Charger

The charger solution for Phonak Slim, complementing the sleek appearance of the hearing aid. Easy to clean, and easy to carry.

Phonak Charger Case Go™

Exclusively designed for Audéo Life. With its built-in battery, it can fully charge the hearing aids on the go for up to 3 times on a single charge.

Phonak Life Charger™

An inductive charger for Audéo Life devices without a built-in battery.

Phonak Charger Combi BTE 2

The charger solution for Naida L-PR and Sky L-PR. Can be combined with a Power Pack for charging on the go.
