

2025 ANNUAL REPORT

*... A Community
Helping Itself!*

Past and Present

In January, 1986, a group of six interested local residents met to form an area community Foundation. The Foundation is incorporated, officially tax deductible, and committed to the continual support of worthy Columbiana area projects. It is operated by dedicated volunteers and Foundation members for the benefit of the community.

The Columbiana Community Foundation, Inc. provides an opportunity for each of us to assist in the building of an endowment resource reserve. Only the income from this reserve may be used. As a member of the Foundation, you will join in the development of this innovative community organization which has the potential for significant long-range benefits for our community.

Membership consists of the Board of Trustees and donors. A contribution of \$100 or more makes you a lifetime member of the Foundation.

ANNUAL REPORT 2025

The Columbiana Community Foundation celebrated its 39th Anniversary in 2025. Entering the 40th year of the foundation in 2026, I express my gratitude to the founders, past members, and current members that have made this foundation such an integral part of this community.

What is the Foundation? The CCF, as it is known, is a 501(C)(3) tax exempt philanthropic organization that was established for the direct benefit of Columbiana and Fairfield Township. We support other 501(C)(3) tax exempt organizations and entities in our surrounding communities that benefit the students and residents of the Columbiana and Crestview school districts with grants to further their goals. The CCF also supports post-secondary education for graduating seniors through awards and scholarships.

The sources for the Foundation are made up of various designated funds with specific guidelines for how their awards are to be used. Any person or group can set up a 501(C)(3) endowment through the Foundation, can add to an existing fund of their choice, or can add to an existing designated fund. The listing of current funds can be located further in this annual report. These funds, and the General Foundation Fund, are then invested with Huntington Trust in a managed account with a mix of quality stocks and bonds with care to minimize risk.

The CCF had another financially successful year in 2025. The Fund balance as of December 31, 2025, was \$ 8,581,837.37 and the Foundation awarded \$ 319,069.54 in grants and Scholarships. Please refer to the financial statement in this 2025 report for the complete Profit and Loss report.

We encourage our members to reach out to friends, family, and local business associates to ask if they would like to be a member of the Columbiana Community Foundation and be a part of the continued success of our community. The lifetime membership fee is only \$100.00 to be part of this great Foundation.

I will close by thanking the current board members for all their support in my second year as President of the Foundation. I am thankful for the opportunity to represent such a worthwhile organization and have high hopes for the growth and continued success of the Columbiana Community Foundation and our community.

Sincerely,

M. Shane Patrone, President
