About Us

BJR Global is the exports arm of the BJR Group, one of India's highly trusted automotive business since 40 yrs operating with over 80,000 sq.ft. of warehousing space with existing businesses.

BJR Global adheres to extend the values of trust, transparency and technical excellence to the global aftermarket.

We specialize in connecting best Indian manufacturers to international markets — delivering reliable, cost-efficient automotive/ automobile spare parts worldwide.

Our sourcing network includes OEM-approved and Tier-1 manufacturers across India, ensuring that every product we export meets international standards of quality, reliability and durability
