

## **Sales Associate - Job Description**

At Crystal Care we are looking for a motivated Sales Associate to join our growing team. This is a field-based role where you will go door-to-door to connect with potential commercial and residential clients. By promoting our professional window cleaning services, sales associates are valuable members that help generate business through direct engagement.

If you are people oriented, have a skill for negotiation, and love being outdoors, this could be the perfect fit for you!

### **Key Responsibilities**

- Visit residential neighborhoods and commercial areas to promote our window cleaning services
- Provide friendly and professional customer service
- Track leads, follow up with prospects, and close sales
- Accurately present services to customers
- Resolves questions and issues with precision
- Set up follow up appointments if necessary

### **Qualifications**

- 1 year of experience in sales, customer service, or other related fields
- Negotiation skills
- Ability to build rapport with clients
