

## Window Cleaning Technician - Job Description

At Crystal Care we are looking for a reliable and passionate Window Cleaning Technician to join our growing team. In this role you will primarily focus on exterior window cleaning for commercial and residential clients, with a potential to clean other areas as well such as siding.

If you enjoy hands-on work, love being outdoors, and have strong attention to detail, this could be the perfect fit for you!

### Key Responsibilities

- Use the provided equipment to complete assigned washes
- Respectful use of all provided gear/equipment
- Complete washes in the designated time frame
- Reliably commute from wash to wash without supervision
- Ensure quality checks are done effectively
- Provide friendly and professional customer service

### Qualifications

- Driver's License Class 5 (preferred)
- Ability to effectively communicate in English
- Punctuality
- Ability to lift 30 lbs consecutively
- Fall arrest (preferred)
- Working at Heights certification (preferred)
