**Installation:** Place MDX Fan dispenser in a convenient location. It is suitable for a countertop placement or wall mounting. If mounting to wall, install at a height of no less than 1.8 meters above floor level.

安裝方法：請將MDF裝置安放於方便的位置。可放置於檯面上或掛牆使用。若選擇掛牆安裝，請確保高度距離地面不少於1.8米。

**MDF Fan Dispensers offer a cost-effective and convenient way to distribute scents or control odors in small to medium-sized spaces.**

This simply designed unit mounts easily to walls and operates silently and continuously, diffusing fragrance or keeping problem areas odor-free, 24 hours a day. Each unit features a battery-operated, maintenance-free fan that draws air across scented or odor-control products and distributes it evenly throughout the room.

MDF可為小型至中型空間提供經濟實惠且方便的香氛擴散或氣味控制功能，輕鬆營造清新舒適的環境。

這款設計簡約的裝置可輕鬆安裝於牆面，全天候24小時靜音運作，有效擴散香氛或中和難聞異味。設備以電池驅動，配備免維護的風扇系統，可將空氣導入香氛或異味中和產品，並有效將氣味均勻散佈至整個空間。
