CHCA “ON-LINE” PLANT SALE

WEEK OF MAY 10- 16, 2020

The “on-line” plant sale is here! The on-line part of this sale is the Plant Sale Order Forms are transmitted by email and payment can be with Pay Pal at the CH-CA.org.

We have reduced the usual selection of plants in order to help with the transportation, but we still have 32 varieties of plants and vegetables for sale. See the following pictures of the flowers that are categorized as to whether they are sun or shade plants. Some are purportedly deer resistant, but that part works only if the deer agree. Vegetables and herbs are not pictured. The types, colors and prices are described in the Plant Sale Order Form.

Flowers are priced by packs, which have between 4-6 plants or by flats which have 32 or 48 plants. Hanging baskets are available including the favorite Tumbling Tom patio tomatoes. Other flowers and vegetables come in 4-1/2" pots. The popular Citrosa plant which repels mosquitos comes in a 6-1/2" pot.

As we get close to the week of sale, we will check the weather prediction and choose the day that is best. We will notify all who have placed an order when to expect their plants. These will be delivered to the buyer’s front yard. If there is not a good day the entire week (such dismal weather is not unheard of here), we’ll push the sale to the following week.

Here are three easy ways to buy:

- 1. A little technical:** Open either the Word Doc or Excel order form, type directly onto it and save it to your computer. Then attach it to an email addressed to me (algetsy@verizon.net). **Or**
- 2. Really simple:** Print out the pdf form, complete it by hand and mail it back to Civic Association’s P.O. Box noted at the bottom of the form or drop it off at 151 Crescent Hills Rd. **Or**
- 3. The old fashioned way:** Look at the form and then call in your order. 412-795-2607. But please call during the morning so I can save the afternoon to ignore spam callers.

Orders must be received by May 8 and paid for in advance. Pay by check and submit it using the above described methods or use Pay Pal on CH-CA website. To pay with PayPal on the website, Choose "Other Amount" and ignore the "Donate" part. Just pay your order total.

Let's make this work for the sake of our gardens, our civic association, and our vendor who has greenhouses full of beautiful plants, but no way to connect to customers.
