BUSINESS SPONSOR SPOTLIGHT

The North Country ATV is requesting your support to help in the effort to promote recreational trails in the Great North Woods by providing Safe, Legal and Fun trails to ride.

Your support is critical for us to succeed. Trail development and maintenance funds are only available to active ATV clubs. We also need your sponsorship and donations to help pay for grant matches and expenses for trail maintenance. Without your help we would not be able to apply for trail maintenance grants because we need to come up with the 20% match in order to administer a grant.

It is through donations and memberships such as yours that we can continue to work on our goals making family trail riding Safe, Legal and Fun.

Platinum Sponsor \$500 Your Business will be promoted weekly throughout the year on NCATV's website & Facebook page. Your logo, along with a direct link will be showcased on NCATV website.

Gold Sponsor \$250 Your Business will be promoted (1) day each month on NCATV's Facebook page. Your logo along with a direct link will be showcased on our website.
