

# ALULA - 2 Day Itinerary

## A World Heritage Site ... Like No Other

### Why ALULA

Nestled in the northwest of Saudi Arabia, ALULA is an extraordinary destination that transports visitors through millennia of human history. This open-air museum spanning 22,561 km<sup>2</sup> is home to Hegra, Saudi Arabia's first UNESCO World Heritage site. ALULA's dramatic desert landscape, dotted with sandstone outcrops and hidden oases, provides a stunning backdrop to its ancient wonders.

### Where, When, How long

Well-connected by domestic flights from Riyadh and Jeddah, ALULA is also easily accessible internationally from the UAE, Egypt, Qatar, and Jordan. The best time to visit ALULA is from November to March when the weather is mild and pleasant. To fully appreciate ALULA's treasures, a 2-3 day stay is recommended, allowing visitors to immerse themselves in this timeless land where nature, culture, and history intertwine.
