Important State of Illinois Health Requirements

All students must be up to date with physical, dental, vision, and immunization requirements prior to the 1st day of school. **Students will NOT be able to attend school until ALL required health information is on file.**

In order to have a smooth start to the school year, please make appointments before August. Immunizations can be obtained at your doctor's office or local health departments. St. Clair Co HD 618-233-6175. It is not too early to begin scheduling physical appointments and immunizations now.
