

Apex Biotechnology Training and Research Institute

7-10 days and 11-15 Days Internships

We offer comprehensive 7-day and 15-day internships in diverse biotechnology fields, providing hands-on training in research and development from basic to advanced levels. These programs are designed to build a strong foundation in biotechnology product development while offering practical industrial experience through our sponsoring companies. The internships equip students with the skills and knowledge needed to excel in the field and boost their prospects in biotechnology research and development for any organization.

Who We Are

Since 2014, Apex Biotechnology Training and Research Institute (ABTRI) in Chennai, southern India, has been the region's leading biotechnology placement training institute. ABTRI boasts a state-of-the-art biotechnology training facility spanning over 3,000 square feet. The institute is dedicated to preparing students for roles as researchers in academic institutions, as industry-ready professionals, and as biotechnological entrepreneurs.

Why Choose Us

Research and Development Center for Our Conglomerate

We serve as the Research and Development Center for our conglomerate companies specializing in Agrobiotech, Nanotech, Biopharma, Environmental Science, Food Biotechnology, Cosmetics, and Nutraceuticals and Microbial Technology.

Centre of Industry-Academic Collaboration

We are dedicated to providing valuable hands-on experience for biotech students throughout their academic journey. Through numerous partnerships with leading institutes nationwide, we serve as a Biotechnology Career Development Center, supporting students in their professional growth. Additionally, we offer comprehensive training programs for individuals interested in pursuing further studies, whether domestically or abroad. Our internship and training initiatives are crafted to empower students and contribute to a brighter future in the biotechnology field.

Our Programs

7-10 days and 11-15-days Internships

We offer 7-10 days and 11-15-days internship opportunities for Bachelor's and Master's students from various institutions. These internships span fields such as Agrobiotech, Biopharma, Environmental Sciences, Microbiology, Food Biotech, Marine Biotech, Nutraceuticals, Cosmetics, Nanobiotech, Animal Cell Culture, and Green Chemistry & Bioinformatics. The program provides hands-on experience with ongoing projects from sponsoring biotech companies, addressing process challenges. Students may engage in bite-sized projects, QC and QA techniques, SOP preparation, and novel ideation with preliminary validation. Disclosure of company-owned project reports is strictly prohibited under any circumstances.

Internships - Fees Details: 2025-2026

The internships fees will include all research bench costs, such as chemicals, analysis and testing. The fees for each category are as follows:

7-10 Day / 11-15-Day

- Molecular Biology: ₹ 5,000 / ₹ 8,000
- Animal Cell Culture: ₹ 8,000 / ₹ 12,000
- Agri, Biopharma: ₹ 4,000 / ₹ 6,000
- Food & Enzyme: ₹ 4,000 / ₹ 6,000
- Nano & Green Tech: ₹ 5,000 / ₹ 7,000
- Environment. Sci: ₹ 4,000 / ₹ 6,000
- Microbial Tech: ₹ 4,000 / ₹ 6,000
- Marine Biotech: ₹ 4,000 / ₹ 6,000
- Bioinformatics: ₹ 4,000 / ₹ 6,000

The price above is for ONE student

A minimum of 2 students can join all domains, except Molecular Biology & Animal Cell Culture, requires at least 3 students. Bioinformatics requires minimum 5 students.

How to Submit the Registration Form:

There are four ways to submit your registration form:

Option 1:

Print the registration form, fill it out, and send it via speed post or courier along with the registration fee as a demand draft.

Option 2:

Print and complete the registration form, scan it, and email it to **apexbiotechchennai@gmail.com**. Upon receiving your form, we will provide the **bank details** for the online transfer of the registration fee.

Option 3:

Print and complete the registration form, then visit our research facility to submit it in person along with the registration fee via **cash, demand draft (DD), UPI, or online transfer (IMPS/NEFT)**.

Option 4:

Walk into our research facility, collect the registration form, fill it out, and submit it along with the registration fee via **cash, DD, UPI, or online transfer (IMPS/NEFT)**.

Note: Once we receive the completed registration form and payment is processed, your registration will be confirmed, and you will receive a **Letter of Acceptance via email**.
