

VOLUNTEER OPPORTUNITIES in 2023

Earth Day, Saturday April 22: Volunteers needed for trail maintenance and other tasks to prepare the park for the busy Summer season.

Iron Run & Charcoal Challenge, Saturday June 10: The annual Friends fundraiser foot races, the *Iron Run Half-Marathon* trail run and the *Charcoal Challenge* 5k run/walk. Volunteers are needed for registration and checkpoints.

Woodsy Owl, date to be determined: A morning volunteering to remove invasive plants and help with other tasks in the park. For the schedule, check with the State Park Office in the Spring.

National Public Lands Day, Saturday September 23: Volunteers are needed to maintain trails and structures in the park, and replace invasive plants with natives.

Fall Furnace Fest, October 21-22: A 2-day family oriented weekend event with live music, craft & food vendors, history demos, hay wagon rides, pumpkin carving and the story of the "Hairy Hand" at Fuller Lake. Volunteers are critical to holding this event!

Please check for schedule changes on the Friends website and Facebook page, DCNR's online calendar, or at the State Park Office and on kiosks throughout the park.

*A big shout-out to all our dedicated volunteers!
Won't you join us to make the park even better?*

Friends of Pine Grove Furnace State Park

Our group is a non-profit chapter of the *Pennsylvania Parks & Forests Foundation* (PPFF) which supports four dozen similar groups in PA State Parks (and some PA State Forests, including our neighbors the *Friends of Michaux*). Friends volunteers and supporters provide a little “value added” to State Parks and State Forests which serve the public using limited resources and personnel. At Pine Grove Furnace, we work closely with park staff to maintain quality public programs at our busy little park. We raise money for special projects while promoting education, conservation and recreation.

Our regular fundraisers include the Fall Furnace Fest (with the famous pumpkin float and Hairy Hand story at Fuller Lake); the Iron Run half-marathon & Charcoal Challenge 5k run/walk; campground firewood sales; and merchandise sales.

We continue to cut, split and stack wood for campground firewood sales – a special thank you to the dedicated volunteers who help with that ongoing and time-consuming task. The Friends also support special volunteer mornings such as Earth Day and National Public Lands Day. We are grateful for the many volunteers who help to maintain trails, plant trees, remove invasive plant species, and assist at special events.

Since 2010 we’ve done our best to improve the park for hundreds of thousands of visitors annually. In 2022 we focused on history, hiking and conservation. We are working with DCNR to repair existing “wayside” displays and create new ones. We also help to maintain hiking trails, and we purchased and helped plant native vegetation at the Group Campground after the 9-decade-old white pine plantation was removed for camper safety. The Friends financially supported native habitat restoration along Mountain Creek near Fuller Lake, led by the Michaux Forest Association. We also supported an Eagle Scout project to restore the log building on Fuller Field, known to many as a former concession stand and lifeguard shack (now used for storage).

Please note that in 2023 we switched our website to **www.FriendsofPineGrove.org**. Our several Gmail email addresses remain the same, however.

Your support is critical to our success. All money we raise stays at our park. As a chapter of PPFF we are a 501(c)(3) non-profit and donations are tax deductible.

If you can help by volunteering at a special event or indeed throughout the year, please email PGFvolunteers@gmail.com.

Your membership helps Pine Grove Furnace continue to be one of the best State Parks in Pennsylvania. Thank you!
