COMPANY OVERVIEW:

START NOW GROUP Pty Ltd is a fully registered and proudly South African construction services company, offering comprehensive solutions in the building and civil engineering sectors. Founded with a commitment to excellence, integrity, and sustainable development, we have positioned ourselves as a reliable partner in infrastructure development, residential and commercial construction, renovations, and project management.

Our company operates with a strong focus on quality workmanship, client satisfaction, and on-time delivery. With a team of qualified engineers, project managers, and skilled artisans, we are capable of executing projects of varying scale and complexity across South Africa. From new developments and structural upgrades to road construction and municipal infrastructure, our experience covers both public and private sector projects.

SERVICES OFFERED:

- General Building Construction: Residential buildings, Commercial buildings and Industrial structures
- Paving Solutions: High-quality brick and stone paving for commercial, residential, and industrial clients.
- Civil Engineering & Infrastructure: Roads & stormwater systems, Bulk earthworks, Sewer & water reticulation, Bridges & culverts.
- Renovations & Maintenance: Building upgrades and extensions, Plumbing & electrical repairs, Roofing, ceilings, and tiling Painting and waterproofing
- Project Management: Planning and coordination, Budget management, Quality assurance, Client reporting and compliance
- Paving & Surfacing, Asphalt & tar surfacing, Concrete paving, Parking lots and driveways, Road markings and signage

MISSION STATEMENT:

To be a trusted leader in delivering sustainable and innovative construction solutions that uplift communities and drive economic growth.

VISION:

To provide high-quality, cost-effective construction services.

To meet and exceed client expectations through professionalism and innovation.

To ensure safety, compliance, and sustainability in every project we undertake

CORE VALUES:

- **Integrity:** We operate with honesty and transparency in every aspect of our business, upholding the highest ethical standards in all our relationships and decisions.
- **Excellence:** We are committed to delivering superior quality in our workmanship, service, and execution—striving for continuous improvement and innovation in all that we do.
- **Reliability:** Our clients trust us to deliver on our promises. We are dependable, consistent, and dedicated to completing every project on time and within budget.
- **Safety:** We prioritize the health and well-being of our employees, clients, and communities by adhering to strict safety protocols and industry best practices on all worksites.
- **Sustainability:** We embrace environmentally responsible practices and aim to build infrastructure that supports long-term social, economic, and ecological well-being.

EQUIPMENT AND TECHNOLOGY:

At START NOW GROUP Pty Ltd, we believe that the foundation of quality construction lies in the combination of skilled workmanship and reliable, modern equipment. We continuously invest in advanced tools, plant machinery, and construction technologies to ensure efficiency, precision, and safety on every project. We leverage modern technology to enhance project planning, execution, and quality assurance

EMPOWERMENT:

We are passionate about creating opportunities for growth by investing in local talent, promoting skills development, and supporting inclusive economic participation.
