MONTHLY MISSION OFFERING

WORKING AGAINST VIOLENCE

Our mission of the month for June is Working Against Violence (WAVI), which provides shelter and free services to survivors of domestic and sexual violence, human trafficking, and intimate-partner stalking.

The organization, started by our own Margot Burton and two other women in 1978, provides services that include a safe, secure shelter, a 24/7 crisis phone line, access to community resources, food, transportation, and comprehensive case management. The organization also advocates and educates for the safety and security of all persons.
