MONTHLY MISSION OFFERING **WORKING AGAINST VIOLENCE**

Our mission of the month for June is Working Against Violence (WAVI), which provides shelter and free services to survivors of domestic and sexual violence, human trafficking, and intimate-partner stalking.

The organization, started by our own Margot Burton and two other women in 1978, provides services that include a safe, secure shelter, a 24/7 crisis phone line, access to community resources, food, transportation, and comprehensive case management. The organization also advocates and educates for the safety and security of all persons.
