Siwa Oasis

Date April 21st to April 28th

Siwa

Siwa Oasis is home to magic and spiritual beauty in the Western Desert of Egypt. This remote region is an oasis for the mind and soul, helping to restore inner balance and spiritual tranquility. The therapeutic part of Siwa Oasis is characterized with hot springs with minerals known for their ability to rejuvenate and heal. Visitors can immerse themselves in an atmosphere of magic and spirituality as they explore the beauty of nature and connect with the great forces of nature that surround them. Visiting Siwa Oasis is a comprehensive and distinctive experience in which care for the body and soul are combined to achieve the brilliance of the human being inside and out.

LOCALS

Siwa Oasis is a region of great cultural diversity, home to the Amazigh people, a historical ethnic group with a unique culture and language. The Amazigh language is an essential part of their identity, and is a way of expressing their history, traditions and values. By interacting with the people of the region and participating in local events and celebrations, visitors can gain a deeper understanding of the Amazigh culture and experience real communication with it.

Tourists can also explore the archaeological sites and historical monuments in the Siwa Oasis, which tell ancient stories about the civilizations that lived in this region throughout the ages. The history and culture of the Amazighs reflect the authentic spirit of this land, and adds deeply to the visitor's experience in this amazing place.

NATURE & HISTORY

Siwa oasis, with its unique location in the heart of the Western Desert, represents a place that combines the beauty of nature and the depth of the soul. This oasis is a haven of tranquility and contemplation, surrounded by golden sand dunes and natural springs that sparkle in the sunlight.

Siwa represents the balance between human and nature, making it a starting point for self-discovery. The fresh air and fresh water emanating from its springs enhance the feeling of calm and detachment from the hustle of daily life.

Its rich history and deep culture add another spiritual dimension as visitors can enjoy meditative experiences at the Temple of Amun, which is considered a spiritual energy center. Visiting siwa oasis is not just a trip, but a spiritual experience that touches the depths of the soul and reconnects with the nature's world.
