

# JUST MARRIED

Wedding umbrellas from  
the doppler manufacture

# THE BEST DAY OF YOUR LIFE – LET US SHARE IT.

Safe, reliable and always with the right amount of style, sophistication and elegance. For more than 70 years, doppler has shown its knowledge of the art of producing umbrellas at the highest level, and creates exclusive accessories at its headquarter in Braunau am Inn in its own factory - the doppler umbrella manufacture.

Every day, more than 70 work steps are carried out in which over 2,000 pinpricks are used in the detail-loving and unique umbrellas. There are no limits to your imagination and thanks to our experienced and passionate employees, your wishes are turned into reality. Become part of our global doppler family and experience the feeling that your heart beats a little faster with each raindrop.

Rain on the "most beautiful day of your life"? With this umbrella no problems guaranteed. And also protection from the sun.

**Because umbrellas from the doppler manufacture are ...**

## ... ARE SIMPLY GREAT!
