Self Assessment:

Self-assessment is a crucial step in understanding yourself, your strengths, weaknesses, preferences, and aspirations. It involves reflecting on various aspects of your personality, skills, values, and interests to make informed decisions about your career.

Here are some key components of self-assessment:

- Skills and Abilities
- Interests
- Values
- Achievements and Accomplishments
- Goals and Aspirations
- Work Preferences

4 Reasons why you cant decide on a career:

1. Feeling overwhelmed
2. Pressure of finding a job that makes you happy
3. Finding multiple career choices exciting
4. Being unsure what you are intrested in

Possible Career Options:

- 1.Examin Yourself
- 2.Think about long term goal
- 3.Explore all sectors
- 4.Explore industries
