

Followup Jan 24, 2026

In light of the killing in Minneapolis this morning, I'm sending a followup.

1. Power Moves has a protest scheduled Sunday morning at 11 am at the train / Veterans park. If you want an immediate protest, this is it.

2. ICE and DHS funding narrowly passed the House and is before the Senate. 41 votes can block it. Contact Tammy Baldwin at 202-224-5653 or email her using <https://www.baldwin.senate.gov/contact/contact-tammy>

3. Several local groups are discussing a vigil for the victim. I would prefer Monday at 5 pm at the Post Office, but we want to act in a coalition on this. Candles, prayers. More information later.

4. The RISE training has been delayed and will be rescheduled.
