Overpass protest has moved to Thursdays for now. Just bring yourself, as we have plenty of highway size signs. The next one is 4/23 at 4:30. More info at <https://indicw.org/overpass>

Next social is 4/28 at 10:30 at the Sunflower Cafe.

May Day Strong is coming. Other local groups are planning and so are we. We are considering a full afternoon of Overpass protest, to catch the Friday traffic on I-39. If we can get enough people, we can run shifts from 2-6 pm. Visibility drops after that. Let us know if this sounds good and if you would be willing to sign up for a shift. Bring a group of friends! We'll get details out later if there is enough interest.

Pledge to participate however you can in the day of economic disruption. Workers, students, and families will be calling out of work, walking out of school, and refusing to shop. We are taking action for three primary demands: 1. Tax the rich so our families, not their fortunes, come first. 2. No ICE. No war. No private army serving authoritarian power. 3. Expand democracy. Hands off our vote.
