## EMPIRE

*Elevating Lifestyle!*

### Elevating Lifestyle!

At **Nimbus Empire**, we offer innovative and sustainable solutions, including state-of-the-art elevators, advanced parking systems, efficient EV charging stations, and comprehensive solar energy services across India. Our commitment to modern engineering and customer satisfaction drives us to enhance urban mobility and promote eco-friendly infrastructure. Partner with us to transform your spaces with cutting-edge technology and unparalleled service.

## From Owners Desk

Ms. Vrushali Eknath Pajankar  
(Also known as P. Vrushali)

At Nimbus Empire, our mission is to revolutionize urban infrastructure with cutting-edge technology, sustainability, and unmatched service. As a dynamic force in the industry, we specialize in advanced elevators, smart parking solutions, EV charging stations, and solar energy services, ensuring efficient and future-ready solutions across India.

Our commitment to quality and customer satisfaction drives us to innovate, adapt, and set new benchmarks. While we continue to grow, our vision remains clear—to become a trusted leader in integrated infrastructure solutions by embracing technological advancements and prioritizing safety and reliability.

I, along with my team, am dedicated to taking Nimbus Empire to greater heights with your trust and support. Together, we build the future, one innovation at a time.

Warm regards,

Ms. Vrushali Pajankar (P. Vrushali)  
CEO, Nimbus Empire

# CORE VALUES

### **Dharma:**

Upholding ethical principles, responsibility, and integrity in all our business practices, aligned with the values of spiritual wisdom and universal ethics.

**Design & User Focus:** Creating functional, aesthetically pleasing products that prioritize customer needs and preferences.

### **Continuous Innovation:**

Embracing innovation and staying ahead of industry trends through continuous learning.

### **Team Collaboration:**

Fostering a supportive and collaborative work environment to drive success.

# VISION

- Become a leading provider of smart infrastructure solutions in India, renowned for our commitment to quality, innovation, and customer satisfaction.
- Contribute to a more sustainable and inclusive India through our advanced elevators, parking systems, EV charging stations, and solar energy solutions.
- Embrace emerging technologies to develop smarter, energy-efficient systems that meet the demands of a rapidly evolving world.
- Expand our presence across India, ensuring excellence, reliability, and innovation in every project we undertake.

# MISSION

Deliver exceptional infrastructure solutions, including elevators, that exceed Indian safety standards and enhance the quality of life for our customers.

Foster a positive and inclusive workplace culture that empowers our employees to innovate and thrive.

Build strong and enduring partnerships based on mutual trust, transparency, and collaboration.

Generate sustainable returns for our shareholders while contributing positively to the Indian economy.

At Nimbus Empire, we prioritize quality, customer focus, efficiency, and innovation. We also empower our team and champion sustainability for a greener future.

### Quality Excellence

Ensuring every product meets the highest safety and quality standards through rigorous testing and innovative designs.

### Customer-Centric Approach

Placing our clients at the center of our operations by understanding their needs and providing customized elevator solutions.

### Operational Efficiency

Streamlining processes through advanced project management, optimized supply chains, and trained professionals.

### Innovation and Technology

Continuously adopting cutting-edge technology to improve product performance, energy efficiency, and smart capabilities.

### Team Empowerment

Fostering a positive and inclusive workplace culture where employees are encouraged to innovate, collaborate, and excel.

### Sustainability

Committing to environmentally responsible practices in design, manufacturing, and installation to support a greener future.

# WHY? NIMBUS EMPIRE!

At Nimbus Empire, we don't just build infrastructure—we create future-ready solutions that enhance lives, empower businesses, and drive progress. Join us in shaping a smarter, more sustainable India.

- **Innovation-Driven Approach** – Leveraging the latest technology to create smarter, energy-efficient infrastructure solutions.
- **Uncompromising Safety & Quality** – Ensuring our products meet and exceed Indian safety and performance standards.
- **Customer-Centric Service** – Delivering excellence with customized solutions tailored to every project.
- **Sustainability & Growth** – Committed to green energy and eco-friendly solutions aligned with India's future vision.
- **Nationwide Presence** – Expanding across India to provide reliability, expertise, and seamless project execution.

## OUR EXPERTISE & SERVICES

- ✓ **Advanced Elevators:** Safe, efficient, and tailored vertical mobility solutions for residential, commercial, and industrial spaces.
- ✓ **Smart Parking Solutions:** Space-efficient and intelligent parking systems designed for urban convenience.
- ✓ **EV Charging Stations:** Reliable AC & DC fast charging solutions to power the future of electric mobility.
- ✓ **Solar Energy Solutions:** Sustainable power systems to reduce carbon footprints and ensure energy independence.

## PRODUCT PORTFOLIO

At Nimbus Empire, we deliver innovative solutions across **Elevators, Parking, EV charging, and Solar energy**. Our smart mobility and power systems prioritize efficiency, safety, and sustainability. From premium elevators to eco-friendly charging stations, we enhance urban infrastructure. Driving progress across India, we empower businesses with future-ready technology.

Next-Gen Intelligent Elevators, Powered by German Technology and Operable Without Internet or SIM, Seamlessly Controlled via a Mobile App and Integrated with Nimbus Operating System.

### SUITABLE AREAs:

- Residential Homes and Villas
- Office Buildings
- Shopping Malls
- Hotels, Resorts, and Banquets
- Cultural Centers and Gyms
- Railway/Metro Stations
- Airports

### **FEATURES:**

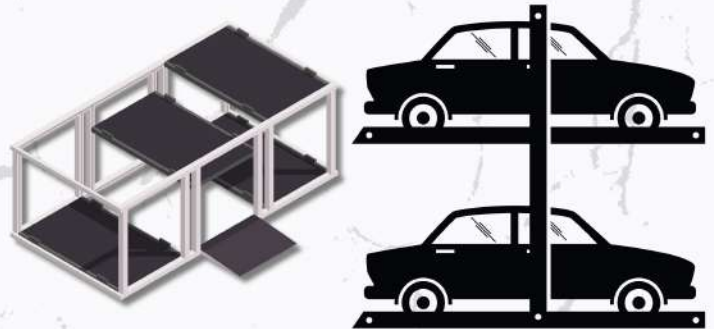

At Nimbus Empire, we provide cutting-edge solutions across multiple industries, ensuring innovation, efficiency, and sustainability.

- **Elevator Systems:** Custom-designed passenger, hospital, glass, and pet-friendly elevators with smart automation, energy efficiency, and premium aesthetics.
- **Parking Solutions:** Advanced car and bike parking systems, including stack and puzzle parking, optimizing space in urban areas.
- **EV Charging Stations:** Fast and reliable AC/DC charging solutions for two-wheelers, four-wheelers, and commercial vehicles, promoting green mobility.
- **Solar Energy Solutions:** Sustainable solar power systems that reduce carbon footprints and provide cost-effective energy alternatives.

Empowering businesses and individuals across India, Nimbus Empire is shaping a smarter, greener, and more efficient future.

# THANK YOU

At Nimbus Empire, we are excited about the future, aiming to lead in elevators, parking systems, EV charging stations, and solar energy solutions. We thank our dedicated team for their passion and commitment, which fuel our progress every day. To our valued clients and partners, your trust inspires us to reach new heights. Together, we will shape a smarter and sustainable tomorrow.
