WORK EXPERIENCE

Set Construction Worker, Matthew 25 Ministries, June 2025 – Sep 2025

I streamlined team communication to foster collaboration and improve problem-solving, contributing to a positive, high-performing work culture. By coordinating resources and adapting to changing project needs, I enhanced overall project efficiency while maintaining flexibility in shifting priorities. On job sites, I consistently applied critical thinking to resolve complex challenges under pressure. Additionally, I developed hands-on skills in carpentry and welding, strengthening my technical capabilities.

Collegiate Baseball Player, The College of Wooster, Aug 2020 – May 2025

I collaborated with diverse team members to achieve shared goals during competitive seasons, demonstrating strong teamwork and communication. By analyzing opponents' strengths and weaknesses, I helped develop strategic game plans that enhanced overall team performance.

Dock Worker, Matthew 25 Ministries, June 2024 – Aug 2024

I organized incoming and outgoing shipments to maintain an efficient warehouse workflow and collaborated with team members to streamline loading processes, significantly reducing wait times.

Restaurant Team Member, Bakersfield, June 2023 – Aug 2023

I maintained cleanliness and organization in the dining area to improve the guest experience, while working closely with team members to ensure timely food preparation and order delivery.

Athletic Field Maintenance Worker, Sports Force Parks, June 2022 – Aug 2022

I operated turf maintenance equipment to ensure optimal field conditions and worked collaboratively with team members to prepare fields for a variety of sporting events.

Lifeguard, Clifton Meadows Swim Club, June 2018 – Aug 2018

I monitored pool activities to ensure safety and rule compliance, conducted routine safety checks on equipment and facilities, and maintained a clean pool area to provide a safe environment for all swimmers.
