ABOUT COMPANY

HOSTA HUB

Since 2021, HOSTA HUB has delivered excellence in Fit-out, MEP, and Metal works. We combine professional expertise with a problem-solving mindset to provide a seamless construction experience. Residential or commercial—we bring your vision to life on time and within budget.

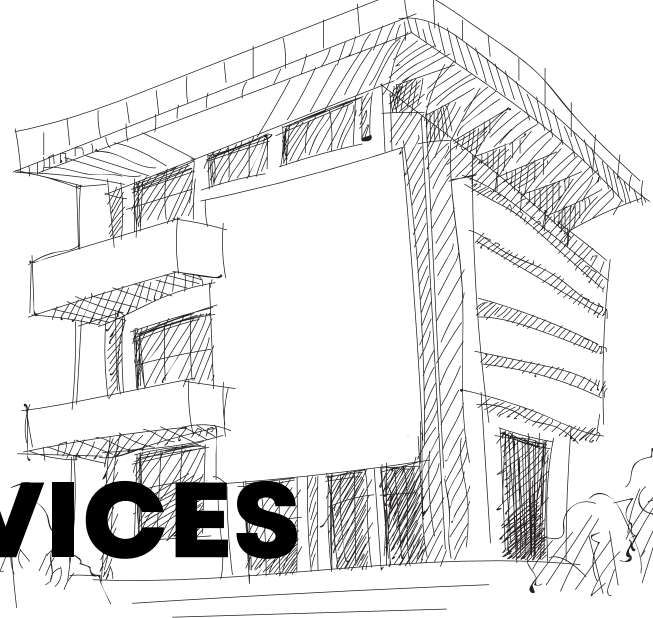

VISION & MISSION

VISION

Our vision is to lead the construction industry through innovation, quality, and sustainable practices. We empower our team to deliver transformative designs that strengthen communities and set the benchmark for excellence.

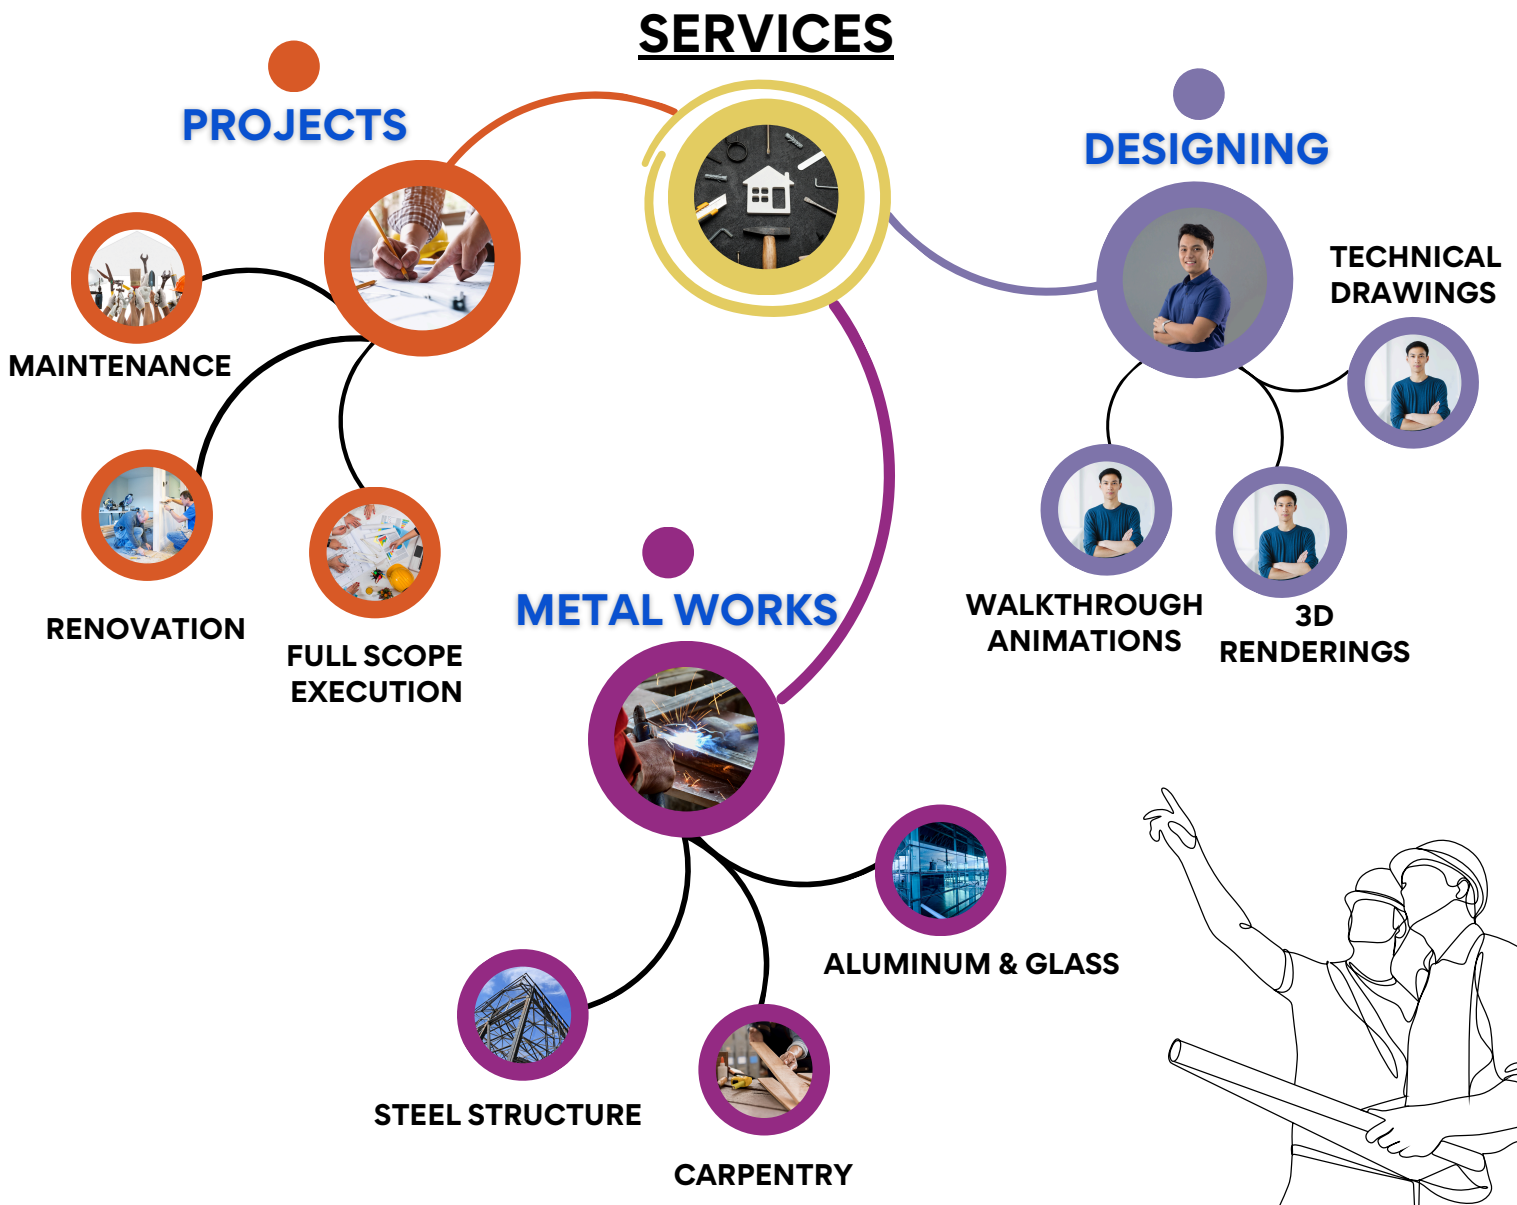

MISSION

At **HOSTA HUB**, our mission is to exceed client expectations through high-quality workmanship and innovative solutions. We build with integrity, safety, and sustainability, creating functional spaces that enhance lives and foster lifelong partnerships.

OUR SERVICES

At **HOSTA HUB**, we pride ourselves on offering a comprehensive suite of construction services designed to meet the diverse needs of our clients. Each service is tailored to deliver exceptional quality, durability, and aesthetic appeal, ensuring that every project is completed to the highest standards.

Interior Fit-out

We offer complete **interior fit-out** solutions, handling every stage from design to final handover – including demolition, civil works, MEP, finishes, and custom installations.

Whether it's a commercial, retail, office, or residential space, we ensure seamless execution and high-quality finishes tailored to your vision.

Our Scope Includes:

- Demolition & site preparation
- Full interior build-up
- Detailed design & 3D visualization
- Electrical, plumbing & HVAC works
- Gypsum, paint, flooring & ceiling
- Custom carpentry and glass works
- Final furnishing and handover

With a commitment to quality, efficiency, and attention to detail, we transform spaces into functional, inspiring environments that exceed expectations.

Exterior Works

We provide comprehensive **exterior works** services to enhance the appearance, durability, and functionality of your building's outer shell. From structural enhancements to aesthetic upgrades, our team ensures lasting results that align with modern design and safety standards.

Our Scope Includes:

- Aluminium Cladding & Façade Systems
- Curtain Walls & Structural Glazing
- Canopies & Pergolas
- External Glass Installations
- Precast & Block Wall Works
- Exterior Painting & Finishing
- Metal Works & Boundary Fencing
- Interlock Paving Works
- Signage & External Lighting Fixtures

We combine functionality with elegance, ensuring that your property not only looks impressive but also stands the test of time.

Aluminium & Glass Fabrication and Installation

We also specialize in the fabrication and installation of **aluminium and glass systems**, offering a select range of **exterior and interior** works that enhance the appearance, durability, and performance of any building. Whether for structural functionality or architectural elegance, our solutions reflect the highest standards in modern design and safety.

With our dedicated **in-house fabrication workshop**, we ensure precision, customization, and on-time delivery for projects of any scale.

Our Scope of Services Includes:

- Aluminium Cladding & Façade Systems
- Curtain Walls & Structural Glazing
- Canopies & Pergolas
- Interior Aluminium & Glass Works
- Custom Fabrication Services

Blending craftsmanship with innovation, we deliver long-lasting, visually compelling results that elevate both form and function.

Carpentry Fabrication and Installation

We also specialize in the **fabrication and installation of custom carpentry works**, offering a select range of interior and decorative wood solutions that enhance the functionality, aesthetic appeal, and value of any space. Whether for practical use or design impact, our carpentry services meet the highest standards of craftsmanship and quality.

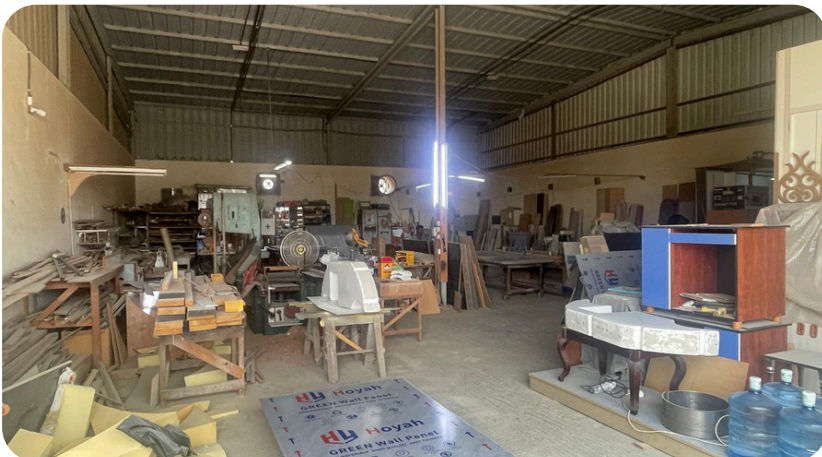

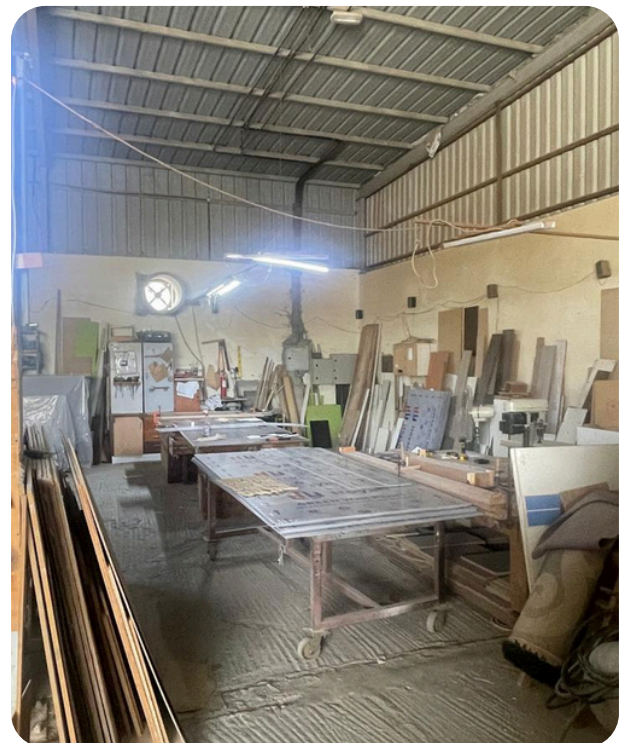

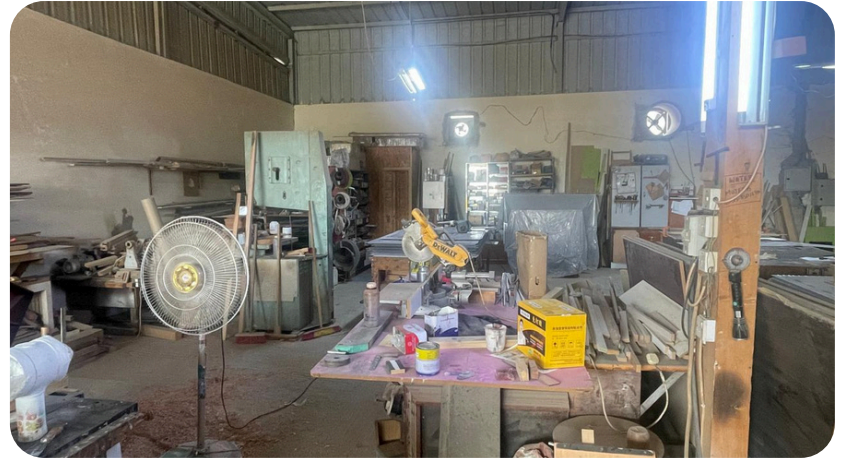

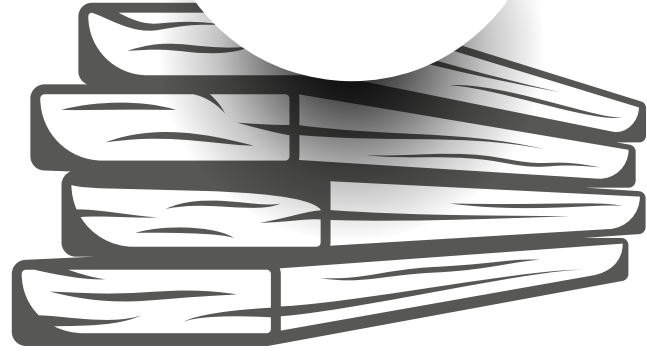

With our dedicated **in-house joinery workshop**, we ensure precision, tailored designs, and on-time execution for projects of any scale.

Our Scope of Services Includes:

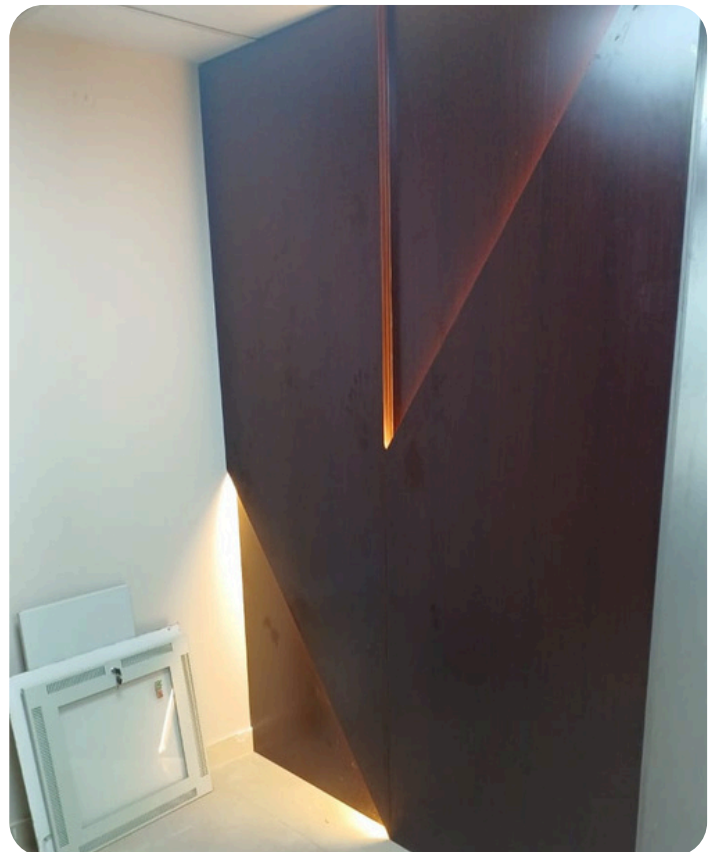

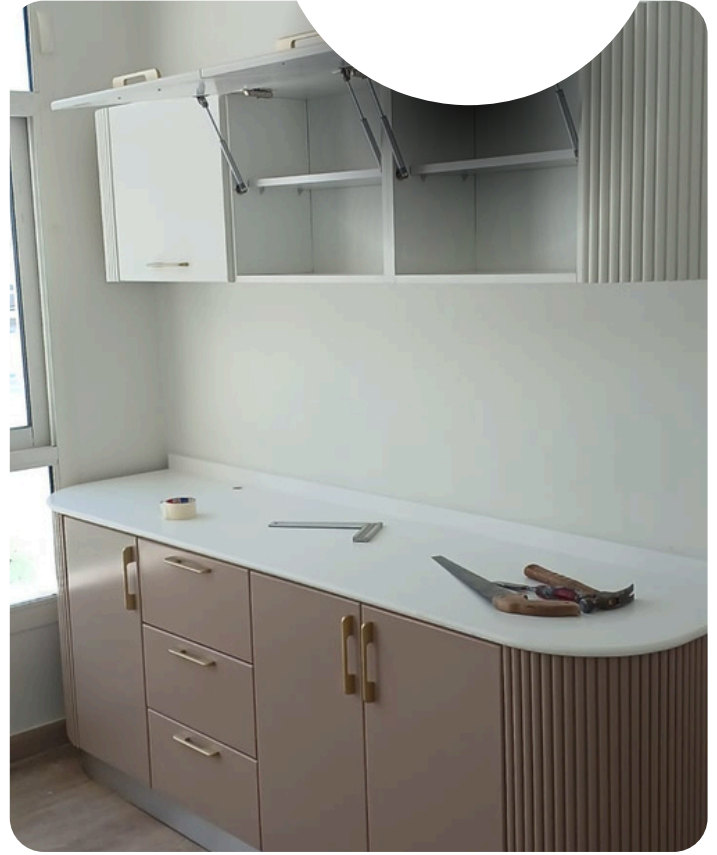

- Custom Furniture & Cabinetry
- Wall Cladding & Decorative Wood Panels
- Doors, Frames & Wooden Partitions
- Wardrobes & Storage Units
- Kitchen Cabinets
- Bespoke Joinery Solutions

Blending **craftsmanship with innovation**, we deliver durable, visually striking results that bring warmth, character, and refined detail to every project.

Metal Works Fabrication and Installation

We also specialize in the **fabrication and installation of structural and architectural metal works**, delivering robust and visually appealing solutions that enhance the functionality and aesthetics of your spaces. From load-bearing steel structures to detailed finishing elements, our services adhere to the highest standards of quality, safety, and design.

Our Scope of Services Includes:

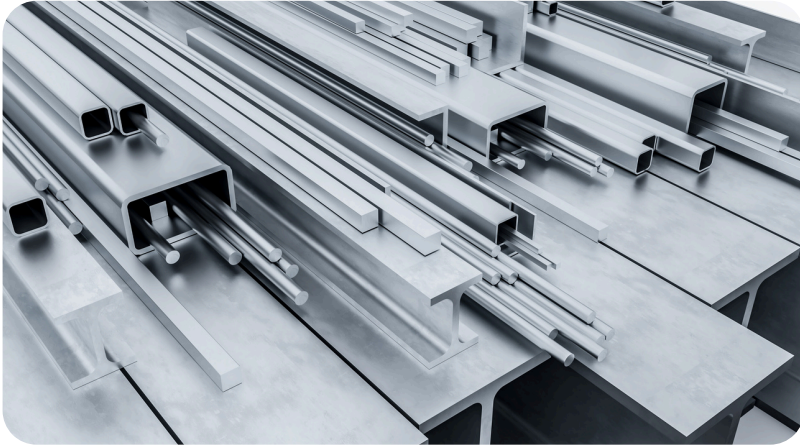

- Steel Structures (I-Beam, H-Beam, Channels)
- Canopies & Pergolas
- Handrails in Stainless Steel (SS), Mild Steel (MS), and Galvanized Iron (GI)
- Gates, Grills & Balustrades
- Custom Metal Fabrication Services

With a focus on **precision and durability**, we ensure that each metal work element complements the overall design while providing long-term performance and reliability.

We offer a complete suite of **design services** to support our fit-out, construction, and fabrication works — ensuring that every project starts with a clear vision and a precise plan. Our design process bridges creativity and technical accuracy, allowing clients to visualize the outcome before execution begins.

Our Design Capabilities Include:

- **Technical Drawings:**

We develop detailed architectural and engineering drawings that serve as the foundation for construction and fabrication. These include plans, sections, elevations, and shop drawings tailored to project specifications and site conditions. Our technical drawings ensure clarity, accuracy, and seamless coordination across all trades.

Design Services

- **3D Renderings:**

To help clients visualize their spaces before they are built, we provide high-quality 3D renderings that reflect the proposed design, materials, lighting, and finishes. These lifelike visuals aid in decision-making and enhance communication during the design development stage.

- **Walkthrough Animations:**

For a more immersive experience, we create animated walkthroughs that simulate real-time movement through the designed space. This tool is especially valuable for presentations, marketing, and client approvals, offering a realistic preview of how the final environment will look and feel.

By integrating **function, aesthetics, and technology**, our design services ensure that every project is strategically planned, visually compelling, and aligned with the client's vision from concept to completion.

An **Annual Maintenance Contract (AMC)** is a comprehensive service agreement through which our company undertakes the **planned, preventive, and corrective maintenance** of buildings, facilities, and associated systems for a fixed annual period. The objective of the AMC is to ensure **smooth operation, safety, reliability, and extended life** of assets while minimizing breakdowns and unexpected repair costs.

Under our AMC services, we provide **scheduled inspections, routine servicing, prompt fault rectification, and emergency support** for civil, MEP, and facility-related works. All maintenance activities are carried out in accordance with **approved standards, safety regulations, and client requirements**, ensuring consistent performance and optimal functionality of the facilities.

Our **AMC** solutions are **customized to suit client needs**, offering cost-effective maintenance, quick response times, and professional technical support, thereby allowing clients to focus on their core operations with complete peace of mind.

Key Features of Our AMC Services

- Preventive & corrective maintenance
- Periodic inspections and reporting
- Emergency breakdown support
- Skilled technical manpower
- Compliance with safety and authority regulations
- Cost-effective and hassle-free maintenance management

Transportation

HOSTA HUB is an Abu Dhabi-based transportation service provider offering reliable, flexible, and cost-effective mobility solutions for corporate, commercial, and individual clients across the UAE. With a strong focus on safety, punctuality, and customer satisfaction, we deliver transportation services tailored to meet diverse operational and personal requirements.

Our Services

We provide a wide range of transportation solutions on monthly, daily, and trip-based contracts, available with or without professional drivers, depending on client needs.

Our fleet includes:

- Hatchback Cars – Ideal for economical and short-distance travel
- Sedan (Saloon) Cars – Suitable for corporate and executive transportation
- SUVs – Comfortable and powerful vehicles for business, site visits, and family use
- 14-Seater Buses – Efficient solutions for staff transportation, group travel, and project requirements

Transportation

Service Flexibility:

Understanding that each client has unique needs, we offer highly flexible service models:

- Monthly Rentals for long-term corporate and project requirements
- Daily Rentals for short-term or temporary needs
- Trip-Based Services for airport transfers, events, site visits, and special assignments
- Options available with licensed, experienced drivers or without drivers, as per client preference

Quality & Safety Commitment:

All vehicles are well-maintained, fully insured, and comply with UAE transport regulations. Our drivers are professionally trained, experienced, and familiar with Abu Dhabi and UAE road networks, ensuring safe, smooth, and timely transportation at all times.

We serve a broad range of clients, including:

- Corporate offices and government entities
- Construction and project sites
- Hotels, events, and private clients
- Staff and labor transportation requirements

Why Choose Us

- Abu Dhabi-based operations with UAE-wide coverage
- Modern and diversified fleet
- Competitive pricing and transparent terms
- Flexible rental options
- Strong commitment to safety, reliability, and service quality

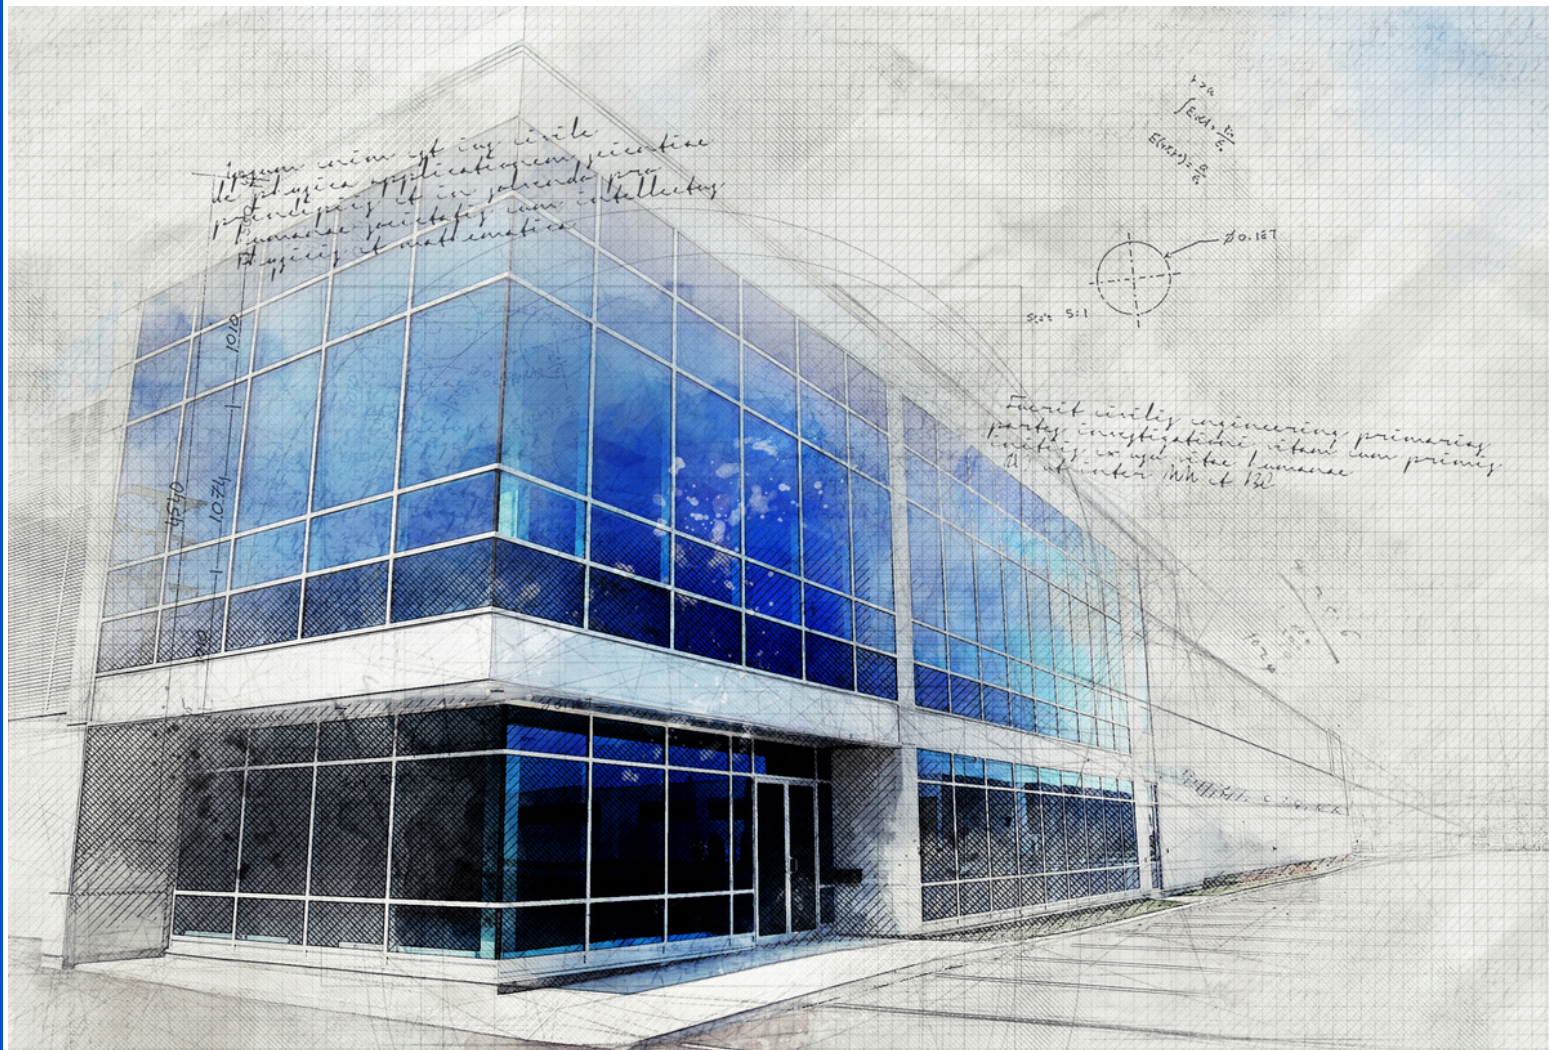

HOSTA HUB strives to be a trusted transportation partner, delivering dependable mobility solutions that support our clients' daily operations and long-term objectives.

"AIM FOR THE BEST AND LEAVE US THE REST"

Conclusion

At **HOSTA HUB**, we are committed to delivering end-to-end solutions that blend design, engineering, and execution with precision and integrity. From concept development and detailed design to complete interior fit-outs, bespoke fabrications, and high-performance installations, our multidisciplinary expertise allows us to take on diverse projects with confidence.

Every service we offer — whether aluminium and glass works, custom carpentry, metal fabrication, or architectural design — is driven by our dedication to quality craftsmanship, timely delivery, and client satisfaction.

With a client-focused approach and a passion for building exceptional spaces, we aim not only to meet expectations but to consistently exceed them.

“Partner with us to turn your vision into a lasting reality”
