

PRIVACY POLICY

Ankaay Technology & Services Pvt. Ltd.

Ankaay Technology & Services Pvt. Ltd. (“ATS”) is committed to protecting client privacy and data confidentiality.

1. Information Collection

We collect personal, business, and technical data required for service delivery, communication, billing, and compliance.

2. Use of Information

Data is used strictly for agreed services, support, legal obligations, and service improvement. ATS does not sell or misuse data.

3. Data Security

ATS uses industry-standard security practices including access control and monitoring. Data access is restricted to authorized staff.

4. Data Sharing

Information is shared only with client consent, trusted partners for service delivery, or legal authorities when required.

5. Data Retention

Data is retained only as long as legally or operationally required and deleted upon written request where applicable.

6. Client Rights

Clients may access, correct, or request deletion of their data subject to legal requirements.

7. Legal Compliance

Information Technology Act, 2000 (India), GDPR (EU)

ISO/IEC 27001 information security best practices
