

EMERGING TECH | 4 DAYS, 32 HOURS

# Future-Ready Fundamentals

Use technology confidently to stay connected, safe, and enjoy life more

## Why Take This Course?

- 1 Feel confident, not frustrated, with your smartphone
- 2 Learn digital skills for convenience & independence
- 3 Stay connected with family, friends, and services
- 4 Capture memories more clearly through better photos
- 5 Protect yourself from scams and risky habits
- 6 Use tech to simplify and enhance your life

## Tools You Will Explore

### Smartphone Camera

Learn to capture sharper photos with simple tools for everyday moments, including panoramic shots

### WhatsApp

Learn how to message, share photos, make calls, create WhatsApp group chats, and use everyday smartphone features to stay more connected

### ScamShield & Safety Tools

Learn how to spot suspicious messages, check possible scam numbers, and protect yourself online

### Google Search, Maps & Lens

Learn how to find information, get directions, check reviews, and use your camera to identify places, products, and text

### Grab & Everyday Service Apps

Learn how to book transport, order food, send items, and use helpful digital services more confidently

BELLS reserves the right to modify or replace any tools used in the programme in accordance to the industry relevance and learner experience without notice.
