# One Thousand Waters

Birth & Postpartum Care

Stronger Support, Better Birth--The Doula Difference

"God is within her, she will not fall." – Psalm 46:5

## WHAT'S A DOULA?

As your doula, I'm here to walk with you—offering gentle support, and guidance through pregnancy and birth. I'm not here to replace your doctor or midwife, but to work with them to support you every step of the way.

## HOW I SUPPORT YOU

*With Christ-centered support,  
I help you:*

- ✓ Prepare your heart and mind for labor and birth
- ✓ Feel seen and heard through every wave of labor
- ✓ Use comfort techniques like breathing, prayer, massage, and Scripture
- ✓ Support your partner in being a steady, loving presence
- ✓ Trust God's timing and find peace in the unexpected

"Out of the temple flowed a river  
—deep enough to swim in—  
bringing life wherever it went." -  
Ezekiel 47

At One Thousand Waters, I walk with you through the rising waters of birth and into the deep, healing presence of God.

## WHY IT MATTERS

*Studies\* show that doulas help lead to:*

- ♥ Shorter labors
- ♥ Fewer C-sections and interventions
- ♥ Higher satisfaction with the birth experience
- ♥ Better outcomes for mom and baby

## WHAT MAKES MY SUPPORT UNIQUE?

God designed our bodies for this holy work—  
and no woman should walk through labor alone.

I serve with a heart for ministry, creating a calm, encouraging space where your voice is heard and your faith is honored.
